## Undocumented Student Programs

Dear USP Students,

## DACA Assistance

UC Immigrant Legal Services is providing free DACA renewal assistance to UC students and their immediate family members. You should assess whether it makes sense for you to apply as soon as possible. There is no deadline by when applications are due. However, the government has already made public that it plans to appeal the court decision. The renewal program may be available indefinitely or may be stopped by another court, depending on how the case proceeds in the courts. To schedule an appointment with UC Immigrant Legal Service Center please email [ana.coria@ucr.edu](mailto:ana.coria@ucr.edu) (<mailto:ana.coria@ucr.edu>) from your UCR email.

**DACA does not impact an undergraduate student's eligibility for state/institutional financial aid.**

Undocumented Students that meet the [AB 540](#)  requirements are eligible for state and institutional aid through the [CA DREAM Act](#) . CA DREAM Act allows undocumented students that are eligible for [AB540](#)  to receive aid such as Cal Grants, UCR Grants, the DREAM Loan, and scholarships from UCR.

Again, eligibility to state and institutional financial aid is **not** based off a student's DACA status.
