

March 2, 2018

Dear AASHE STARS Steering Committee,

I am writing to confirm the accuracy of the information provided in the LSU STARS submission. The data in this report is a comprehensive summary of our commitment to sustainability in higher education.

As LSU President, I am proud of our accomplishments in sustainability, and can assure you that we are dedicated to implementing and promoting sustainability as an ongoing priority operationally and in the classroom.

A few of our sustainability-related awards and recognitions include:

- 2017 U.S. Department of Education Green Ribbon School Postsecondary Sustainability Recipient
- 2017 Louisiana Air & Waste Management Association Joseph Didier Martinez Environmental Achievement Recipient
- 2015 EPA GameDay Recycling Challenge – 1st place
- 2016 Bicycle Friendly University (Silver Level) by the League of American Bicyclists
- 2016 EPA GameDay Recycling Challenge – 1st place
- 2010 - 2017 Louisiana Department of Environmental Quality Environmental Leadership Award
- 2013 - 2017 Tree Campus USA designation
- 2011- 2017 Princeton Review's "Guide to Green Colleges"

We are committed to providing students the tools needed to participate in the green economy of the 21st century, and are developing programming that will integrate the principles and practice of resilience, adaptation, and mitigation into our curricula.

Should you have any questions or comments, please do not hesitate to contact me at alexander@lsu.edu.

Sincerely,

A handwritten signature in black ink that reads "F. King Alexander". The signature is written in a cursive style with a long, sweeping underline.

F. King Alexander
LSU President
