The Campus Pride Index is an overall indicator of institutional commitment to LGBTQ-inclusive policy, program and practice. How is this calculated?

## LGBTQ STUDENT OPPORTUNITIES

Colleges and universities want LGBTQ students, faculty and staff to be out and proud as part of the diversity of the campus community. The Campus Pride Index provides campuses the opportunity to come out as LGBTQ-friendly and take responsibility for continually improving their LGBTQ campus climate.

The Campus Pride Index features LGBTQ student opportunities by highlighting the positive work within higher education across the country. Prospective students and families may choose the best LGBTQ campuses searching the tool based on area of study, cost, location, type of campus and LGBTQ-inclusive policy, programs and practice for their college search.

**Reminder:** Learn more by signing-up for FREE to participate in Campus Pride's LGBTQ-friendly National College Fair Program in eight different cities and the Campus Pride National Online College Fair.

## COMMITMENT TO LGBTQ ISSUES

University Student Diversity Initiatives (SDI) envisions a campus where proud, well-rounded and academically successful students are equipped with the skills necessary to advance social justice work through education, engagement and action. SDI includes the Multicultural Engagement Center and the Gender and Sexuality Center: Serving Women and LGBTQ+ Communities. SDI centers work with students to create safe spaces where they can pursue academic interests, develop leadership skills, and advocate for their communities. Through social justice education and community building, SDI programs empower students to challenge inequity, marginalization and injustice.

## OTR SYNOPSIS

The mission of the Gender and Sexuality Center (GSC) is to provide opportunities for all members of the UT Austin community to explore, organize, and promote learning around issues of gender and sexuality. The center also facilitates a greater responsiveness to the needs of women and the LGBTQ communities through education, outreach, and advocacy. The road to establishing the Gender and Sexuality Center goes back decades. After separately establishing the Women's Resource Center in 1997 and the GLBTA Agency in 2001, the two groups decided to pursue a joint center in the spring of 2002 in order to demonstrate greater student demand and establish an organization that would have greater long-term sustainability. The groups benefited from a new Dean of Students, Teresa Graham Brett, who was sensitive to women's and GLBTA issues and a new Student Government President, Brian Haley, who campaigned on a promise to establish a Gender and Sexuality Center. A proposal for a Gender and Sexuality Center was approved in March 2004 and its doors officially opened in August of that year. Since its establishment, the GSC continues to grow in attendance and visibility.

## FEATURED QUOTES

### ♥ WHY YOU'LL LOVE UNIVERSITY OF TEXAS AT AUSTIN

The GSC is like my second home. I am able to educate myself on issues important to me, learn about opportunities that help me grow as an individual, and even participate in student organizations that strive to better the community and the world we live in. But the people in the GSC are really what make it. I have met my closest friends here. I have met my mentors here. I have had my most memorable college experiences thus far here... College is a turbulent time for anyone, and knowing that I as a student have such a great resource available to me is very comforting.

— Andra

I've always seen the GSC as a haven from the stress of campus and a place to hang out with friends. I love knowing that no matter how hectic a day I am having, I can pop into the GSC and relax. I also love the library. It has been a source of procrastination for me for the past two years and I once used it for research for a paper. This is a valuable space on campus and my favorite place to hang out. I'm so grateful it's here and I hope it continues to grow and improve.

— Lauren

When I moved to UT I was desperate to feel more connected with the gay community. Finding the GSC and meeting other LGBTQ people has been such a good experience. I love having a safe place I can go to on campus and feel completely comfortable being myself at. Because of the GSC I have been able to meet a lot of great people and have found a second home.

— Hugo

In all of the chaos each semester brings, I often forget to take notice of the good things that stand strong in the tumult. UT's Gender and Sexuality Center is one of those things. The existence of the center is something worthy of praise on its own. As a student employee, I find it hard to not do work even when I'm not on the clock because of how much I enjoy being part of the space. Its mission, staff members, resources, and even its comfy couch are all things that I miss when the day ends, and am always excited to return to.

— Zac

The Campus Pride Index has a strong theoretical research foundation in LGBTQ current programs, practices and policies for safer, more inclusive campus learning environments. The index tool has been tested extensively since 2001 and recently updated with new, higher LGBTQ national benchmarks in 2015.

The Campus Pride Index is a vital tool for assisting campuses in learning ways to improve their LGBTQ campus life and ultimately shape the educational experience to be more inclusive, welcoming and respectful of LGBTQ and ally people. The index is owned and operated by Campus Pride, the leading national nonprofit organization for student leaders and campus groups working to create safer, more LGBTQ-Friendly learning environments at colleges and universities. Campus Pride commends the campuses participating in the index and their willingness to come out, be visible and actively advocate for improving higher education for LGBTQ people.
