Did you know that you can calculate your household Energy Use Intensity (EUI) with this [EUI calculator](#) from your utility bills?

- Yes
- No

Do you use energy-saving light bulbs such as compact fluorescents (CFLs) or LEDs in your dorm/apartment?

- Yes
- No
- Some
- I only use lights provided by BU

I have replaced light bulbs in my office desk/table/floor lamp with CFL (Compact Fluorescent) or LED bulbs.

- Yes
- No
- Some
- N/A, I do not have any lamps.

My computer screen saver is set to ['blank' or 'none'](#).

- Yes
- No

My computer automatically goes to sleep after:

- 10 minutes or less

More than 10 minutes/Never

Sustainability Literacy Assessment

The following **four** questions relate to your general knowledge of sustainability concepts. These are meant to gauge awareness. Please answer to the best of your ability.

Which of the following is the most commonly used definition of sustainable development?

- Building a neighborhood that is both socio-demographically and economically diverse
- Giving universal access to education, health care and social services
- Setting aside resources for preservation
- Meeting the needs of the present without compromising the ability of future generations to meet their own needs
- I don't know

Which of the following activities contribute to an individual's carbon footprint? (Choose all that apply.)

- Purchasing/using electricity generated from fossil fuels
- Driving a traditional gas vehicle to work/school
- Driving an electric car to work/school
- Eating a meat-based diet
- I don't know

Which of the following countries has passed the U.S. as the biggest emitter of the greenhouse gas carbon dioxide?

- China
- Sweden
- Brazil
- Japan
- I don't know

Which of the following actions can we take to prepare for a changing climate?

- Construct buildings on wetlands
- Reduce green space
- Grow the urban tree canopy
- Increase paved parking lots
- I don't know

What are you *doing*?

Have you noticed the [What You're Doing](#) campaign posters around campus this year? We want to recognize people who are going above and beyond, living sustainably or bringing awareness to sustainability issues at Boston University. If you know someone who should be recognized for this, please identify the person and state what they are doing.

We would love to hear your comments!

Thank you for your time in taking this survey. If you would like to be entered into a drawing for *your choice of a Nest Learning Thermostat or a fitbit Charge HR*, please click 'Yes' to submit your name and email address.

(Names and email addresses will not be associated with your answers to the survey above.)

- Yes, I would like to enter the prize drawing.
- No, I do not want to enter the prize drawing.
