"Dr. Shrestha,

I've calculated a few numbers for you to use on the AASHE STARS Distance Education FTE. I do not know the exact point time the AASHE STARS report call for, so I'm providing both Fall Census and Fall Graded Census scenarios.

Option 1: Below you cited the UNL Just the Facts Handbook 2016/17. This report is ran using Census data captured on the 6th day of class. Below is the FTE breakdown for the 2017/18 year.

	FT	PT	FTE
Online Only	135	1379	594.67

Option 2: Most of UNL's official Distance/Online reporting is ran using the Graded Census files, which are ran at the closing of each term. The numbers provided below are the official numbers UNL reported to NU-ONLINE (formerly Online Worldwide) for Fall 2017.

	FT	PT	FTE
Online Only	256	1369	712.33

If you have any questions, please contact me."
