

STARS IN-1  
Innovation Credit  
Babson College  
Undergraduate Center for Career Development

To Whom It May Concern:

It is Babson College's mission to educate entrepreneurial leaders who create great economic and social value. We appreciate entrepreneurship as a source of ingenuity and creativity, fairness and wide prosperity, and we strive to help these qualities become realized in our students. Through this institution, we expand the notion of entrepreneurship to embrace and celebrate entrepreneurs of all kinds.

The Undergraduate Center for Career Development plays a vital role in achieving this mission by helping place graduating students in the fields of social impact and environmental sustainability. Having an innovative career center that actively provides support for sustainability careers is an example of Babson's commitment to Entrepreneurship of All Kinds®

Sincerely,
