

Commuting Mode Assessment

The Institute for Sustainable Energy (ISE) is interesting in learning more about faculty and staff commuting methods. Your response helps us report on commuting methods and determine areas for improvement.

* Required

1. What is your primary mode of transportation to campus? (check all that apply) *

- Single-occupancy/personal vehicle
- Zero-emissions vehicle
- Walk, cycle, or other non-motorized mode
- Vanpool or carpool
- Public transport
- Motorcycle, motorized scooter/bike, or moped
- Telecommute/telework (with university authorization)

2. Would you be interested in exploring carpooling options? *

- Yes
- No
