

AASHE STARS Letter of Affirmation  
Pre-Submission Review  
February 26, 2021

To Whom It May Concern,

UC Berkeley Sustainability Director Kira Stoll contacted me in January 2021 to request that I review the campus' STARS submission by utilizing the STARS Review Template.

After thorough first and second reviews, I can attest that all the identified issues in the report have been resolved.

Please contact me at [jack\\_chang@berkeley.edu](mailto:jack_chang@berkeley.edu) or at 916-690-9360 with any questions.
