Title: Letter of Affirmation

Subject: AASHE STARS Pre-Submission Review

Dear STARS reviewing team,

I am writing to verify that I, Christine Seibert, peer-reviewed Colgate University's 2022 AASHE STARS report. The credits I reviewed (PRE 1-5, OP 12-22, PA 1-15, and various IN credits) were well supported. When I suggested revisions before final submission, John Pumilio addressed them thoughtfully. I feel confident supporting Colgate's submission.

The credits that I reviewed have my support in fulfilling the STARS reporting requirements, to the best of my knowledge.

Please don't hesitate to reach out if you have any questions.

Sincerely,

Christine Seibert, Sustainability Coordinator
