Hello Margaret,

We are so glad that you are a part of the EVERFI - Connecticut College community. Here, we believe in the importance of creating a safe and healthy environment for all of our employees and other communities. To this end, we have partnered with EVERFI to provide trainings that will help us all be informed on topics vital to achieving our goal. These trainings, in addition to being highly interactive and engaging, are based in research around the best practices for communicating and maintaining healthy relationships with your colleagues and students. As you complete your training, we invite you to reach out to the many referenced resources in order to join the larger discussion of these topics on our campus.

Completion of your EVERFI courses is required for all employees of EVERFI - Connecticut College. If you have difficulty logging in, check out the technical info at the bottom of this page.
Please ensure that you have completed the course by Monday, Feb 1, 2021.

Thank you for your participation, and for helping us to build the best program that we can.

Sincerely,

EVERFI - Connecticut College
