Subject: Benches made of recycled material

Dear Mr. Qureshi,

Thank you for inviting WWF-Pakistan to review this initiative.

We have reviewed the document you sent regarding the use of benches made of recycled plastic, and have also been able to visit the site to review it at the LUMs campus.

We find the approach innovative and exemplary, and while the around 100 benches at LUMs provide a practical function; they also provide an opportunity for the students to recognise a practical application of recycling.

WWF-Pakistan applauds the initiative by LUMS to embrace environment-friendly practices.

Best Regards,

Ali Hassan Habib
