Subject: Conversion of roads to green belts

Dear Mr. Qureshi,

Thank you for inviting WWF-Pakistan to review this initiative.

We have reviewed the document you sent regarding this initiative, and have also been able to visit the site to review it at the LUMs campus.

We find the approach innovative and exemplary, and serve many positive objectives. By converting previous roads, the students, faculty and visitors can walk along these areas without being disturbed by passing vehicles. In addition, the greenery provides a soothing environment and shade from the sun.

WWF-Pakistan applauds the initiative by LUMS to embrace environment-friendly practices.

Best Regards,

Ali Hassan Habib
