

STARS 2.2 Food and Beverage Purchasing Inventory

This template is provided to help STARS participants document purchases that earn points in the Food and Beverage Purchasing credit.

Step 1 Record total food and beverage expenditures during the reporting period.

Institution	George Washington Universtiy
Reporting period (e.g., Jan. - June 20198)	July 2021-June 2022
Total food and beverage expenditures in the reporting period	
Currency used (e.g., USD, CAD, MXN, AUD, EUR)	USD

Step 2 Record purchases that are sustainably or ethically produced in the appropriate tab(s), below ('Certified/verified purchases' and 'Institution-affirmed

Step 3 Record expenditures on plant-based foods in the appropriate tab. A detailed inventory is NOT required.

Step 4 Access the STARS Reporting Tool to upload the completed spreadsheet and report the following results:

Percentage of total annual food and beverage expenditures on products that are sustainably or ethically produced	2.38%	READ ONLY. DO NOT EDIT.
Percentage of total annual food and beverage expenditures on plant-based foods	19.06%	READ ONLY. DO NOT EDIT.

[For additional guidance, visit the STARS Help Center.](#)

STARS does not require disclosure of actual expenditure amounts. If desired, that data may be hidden or removed from the inventory prior to uploading it to the Reporting Tool.

STARS 2.2 Food and Beverage Purchasing Inventory

Certified/verified purchases

READ ONLY. DO NOT EDIT.

To count as sustainably or ethically produced, a food or beverage product must meet one or more of the standards listed in Standards and Terms. NGO-recommended seafood should also be reported here, whether or not it carries certifications.

STARS does not require disclosure of actual expenditure amounts. If desired, that data may be hidden or removed from the inventory prior to uploading it to the Reporting Tool.
