Re: Certification for 2016 STARS Rating

Dear Ms. Zahniser:

This letter is to confirm that the AASHE STARS data submitted on behalf of the University of Connecticut is accurate and complete. The Office of Environmental Policy (OEP) student interns, graduate student coordinators and staff have collected and verified the data from the university community to the best of our knowledge, information and ability.

Please contact me if you have any questions. Thank you.

Sincerely,
