Dear AASHE STARS Steering Committee:

On behalf of Gonzaga University, I am pleased to submit our report for AASHE STARS V 2.0. As Interim Vice President for Policy, Planning and Administration, I affirm that the information is reported accurately and represents Gonzaga University's commitment to care for the planet and create a better future through sustainability.

We look forward to using the data from our STARS report to inform our efforts to be climate neutral by 2050 and continue to strengthen our commitment to be responsible stewards of the planet.

Sincerely,

John D. Sklut
Interim Vice President for Policy, Planning, and Administration
