

STARS 2.2 Food and Beverage Purchasing Inventory

This template is provided to help STARS participants document purchases that earn points in the Food and Beverage Purchasing credit.

Step 1 Record total food and beverage expenditures during the reporting period.

| | |
|--|-------------------------|
| Institution | University of Manitoba |
| Reporting period (e.g., Jan. - June 20198) | January - December 2021 |
| Currency used (e.g., USD, CAD, MXN, AUD, EU) | CAD |

Step 2 Record purchases that are sustainably or ethically produced in the appropriate tab(s), below ('Certified/verified purchase:

Step 3 Record expenditures on plant-based foods in the appropriate tab. A detailed inventory is NOT required.

Step 4 Access the STARS Reporting Tool to upload the completed spreadsheet and report the following results:

| | | |
|---|--------|-------------------------|
| Percentage of total annual food and beverage ex | 1.08% | READ ONLY. DO NOT EDIT. |
| Percentage of total annual food and beverage ex | 27.53% | READ ONLY. DO NOT EDIT. |

STARS does not require disclosure of actual expenditure amounts. If desired, that data may be hidden or removed from the inventory prior

STARS 2.2 Food and Beverage Purchasing Inventory

Plant-based foods

Plant-based foods include fruits and vegetables (produce); whole grains; beans, other legumes (pulses), and soy foods; nuts and seeds; plant oils; herbs and spices; simple combinations of these foods and their derivatives; and vegetarian/vegan alternatives to meat and dairy.

A detailed inventory of plant-based foods is **NOT** required. You may provide as much or as a little detail here as you wish. STARS does not require disclosure of actual expenditure amounts. If desired, that data may be hidden or removed from the inventory prior to uploading it to the Reporting Tool.
