Subject: Meeting GHG Reduction Goal(s)!

To: Victor Udo <vu002@bucknell.edu>

“Hello Victor,

Thank you for submitting Bucknell's Annual Progress Evaluation to the Second Nature Reporting Platform. Congratulations on reducing Bucknell's greenhouse gas emissions by 30% since 2008 and meeting your campus goal of 20% by 2020.

You can view the reductions on Bucknell's reporting dashboard at the following link

<https://reporting.secondnature.org/dashboard/dashboard/##3254>

Congratulations once again to you and Bucknell for this achievement.

Warm regards,”

Stephen Muzzy
