

# UC Davis Waste Audit – CRV Focus

## Summary

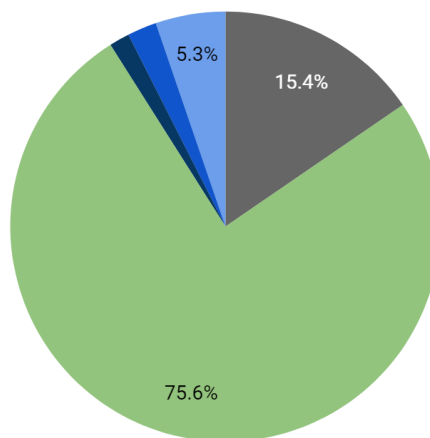

- A total of **121.4lbs** was audited.
  - The Recycling Stream weighed **72.4lbs**
  - The Landfill Stream weighed **59lbs**
- **9** Locations were audited
- Date Range for audits conducted: **June 28, 2019 - August 1, 2019**
- **29.8lbs** of recycled containers were audited (CRV + nonCRV)
  - **69.80%** of the recycled containers were CRV
  - **30.20%** of the recycled containers were non CRV

## Average Bin Composition *This is the average composition of the recycling and landfill bins.*

### Recycling Bin

### Landfill Bin

- Landfill
- Compost
- Recycle Paper
- Recycle CRV Containers
- Recycle Non CRV Containers

**Recycling Bin Note:** The liquid waste made up **25%** of the compost stream (**12.5% overall**); this liquid waste frequently contaminated the properly disposed of mixed paper found in the bins. Contaminated paper made up about **34%** of the compost stream (**12.1% overall**).

## Audit Locations
