TOMORROW STARTS TODAY.

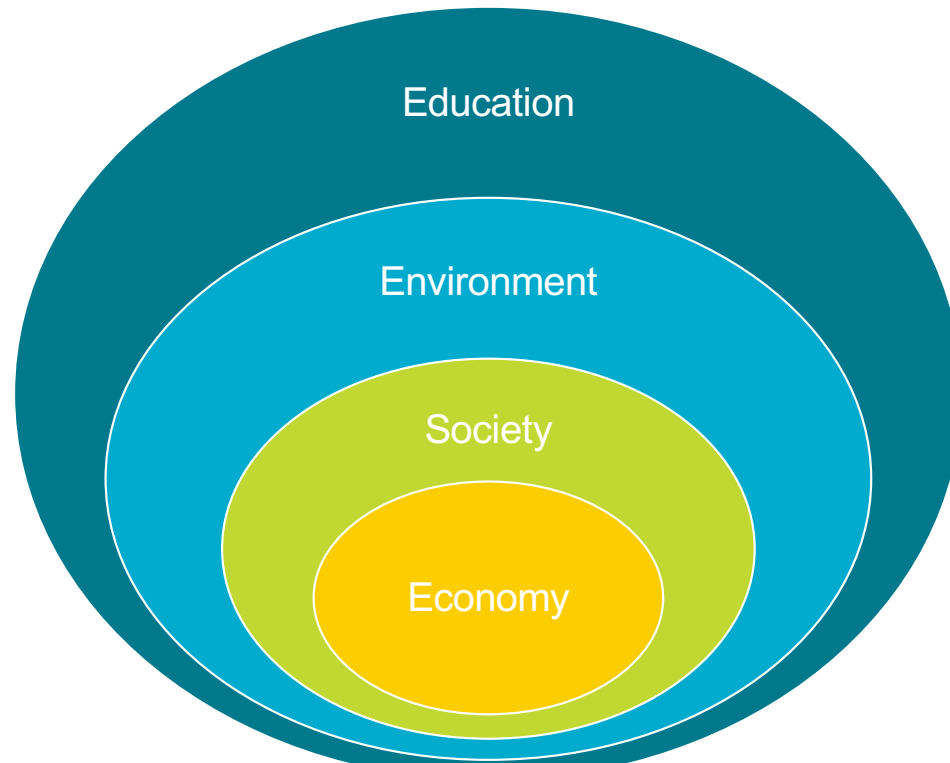

JCCC Center for Sustainability

More than just reduce, reuse, and recycle

What is Sustainability?

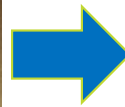

Sustainability means balancing the goals of our human systems with the capacity of natural systems to support them.

Centralized Recycling and Trash (CORT)

Please move your trash & recycling to central areas

- Increases recycling
- Gets emptied when needed
- Used grocery bags make perfect liners

Current State of Recycling

Waste diversion from landfill

2011 = 16%

2020 = 61%

Savings and Revenue

Landfill costs avoided \$212k+

Scholarship dollars \$244k+

ZERO% Waste To Landfill

JCCC Single Stream Blue Bin
Recycling Guide
Cardboard - Paper - Plastic Bottles - Cans

**Paper & Empty
Cardboard Boxes**

**Empty
Metal Cans**

**Small
Electronics**
Cell Phones, Hair Dryers,
Ink Cartridges, see
signage for more
details

**Empty
Plastic Bottles
& Containers**

**Glass
Bottles**
Also: Drive-up Drop-off
Ripple Glass Bin on
NW Corner of Campus

Clean & Dry

Zero Waste Stations
SC 1, COM 3, GEB 2, CC 2, LIB 1,
RC 2, SCI 1, CLB 2, ITC 1

NO
Plastic Bags
Styrofoam
Glass
Food or Liquid

Food Wrappers

**Paper or Styrofoam
Drink Cups & Straws**

Questions? Recycle@jccc.edu

1-2-19

**Recycle it right and support student scholarships
When in doubt, throw it out!**

**Easy Office
Cleanout Bins**

You fill it up.
We sort it out.
It's easy!

Specialty Recycling

Campus & Public Use

Glass & Single Stream Recycling - in warehouse parking lot

Book Donations (front of bookstore or call for pickup)

Campus Produced - items you can recycle here

Pallets – Wood Waste - Scrap Metal – Plastic Bags, Packing Bubbles & Pillows

Ink and Toner Cartridges - Electronic Waste – Batteries - Cords

Hazardous Waste – Tires - Construction Materials

ZERO% Waste To Landfill

Post-Consumer Composting

JOHNSON COUNTY
COMMUNITY COLLEGE

Johnson County
ZERO%Waste To Landfill

Office composting

- We provide bin and first supply of bags
- Your office moves it to central location for collection
- Your office will need to re-order bags on Amazon

Restroom Paper Towel Composting

Compost

These Containers
Takeout Containers Marked Compostable

Food
All food including meat and bones

Pizza Hut
Breadstick Box

Napkins

Firehouse
Sandwich Box

Chopsticks & Wrapper

Tea Bags

NO Utensils **NO** Condiment Packages **NO** Drink Cups / Straws **NO** Metal Pans / Foiled Bags

Food Court Composting

Pre-Consumer Composting

750lbs. food waste collected daily

Sawdust and woodchips added for nitrogen

Student interns operate facility

Used on campus farm

Campus Farm

- 3 acres – west campus
- Sustainable Agriculture Certificate students
- Farm to Table Intern - Campus Dining and Culinary Programs
- Produce sold: Rolling Prairie CSA, Overland Park Farmers' Market, U-Pick Events, Thursday Pastry Sale HCA

JOHNSON COUNTY
COMMUNITY COLLEGE

Reuse

- Reusable Office Supply Exchange (ROSE Store) GEB 212
- Used office furniture from warehouse surplus – contact warehouse
- Watch the JCCC listserv for surplus postings, buy and sell personal items
- Reusable water bottles
- Bring your own cups and utensils to avoid single-use in dining services
- The Math Resource Center needs scratch paper

Send your contributions for scratch paper to JCCC Math Resource Center Box 29 or LIB First Floor

\$ Dollar Drink Club

SAVE BUCKS and a zillion cups from ending up in landfills
when you join the Dollar Drink Club!

It's so easy!

- 1 Buy a **COFFEE or SODA STICKER** at any Dining Services venue—just \$10 each
- 2 Grab your favorite cup
- 3 Serve yourself a drink
- 4 Show your sticker at check out
- 5 **Pay just \$1** (+tax) for a 20-ounce self-serve coffee or 32-ounce fountain drink **each time** you fill up.

Valid stickers go on sale at the beginning of each semester and summer session.

Mugs up!

Purchasing - ReThink

- Check the ROSE store
- Post on JCCC@list.jccc.edu to see if someone else has one or needs one
- Check the warehouse, get on the "list" for items.
- Order your paper and toner from Document Services on Info Hub
- Create a Staples account through purchasing - defaults to environmental options
- Challenge yourself with a quick Life Cycle Analysis of the product (everything that comes onto campus eventually has to leave campus)

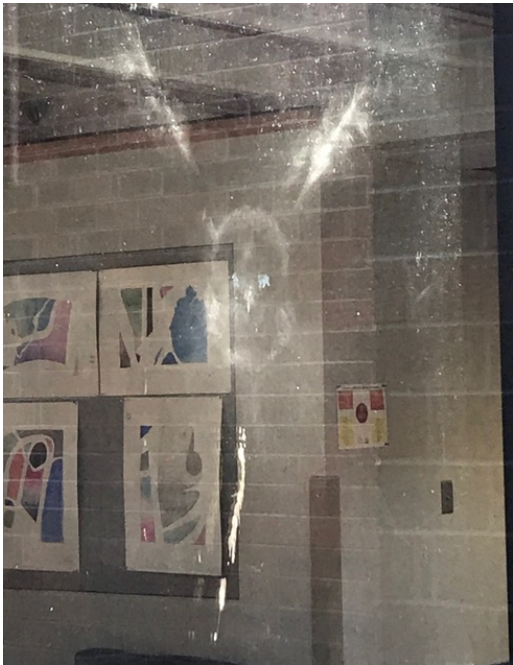

E3 Office – And More!

- One hour presentation and conversation
- Discover what you are doing that is sustainable
- Discuss what you could be doing further to be more sustainable
- Earn petals for your points
- Earn additional petals for improvements and engagement

Do you just want to get out and see campus through our sustainability work? We can do that, too! Let us know!

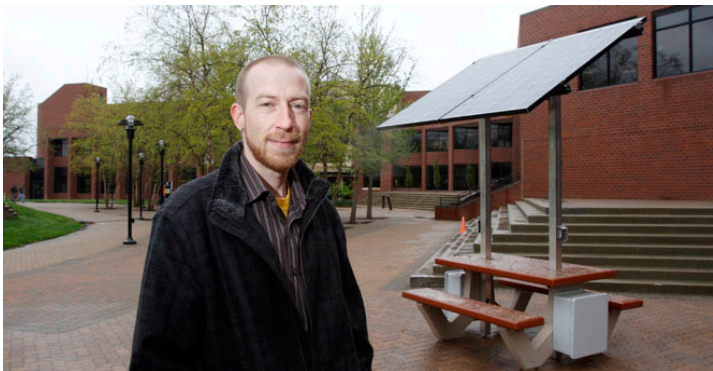

Energy Efficiency - Recycling / Waste Reduction
Purchasing - Events and Meetings
Transportation - Engagement

JCCC Bird Collision Study

- 2019 – window remediations have reduced bird migration deaths on campus by 50%
- Report dead/injured or witnessed birds that strike windows or become trapped to birds@jccc.edu

Renewable Energy

Solar Panels

- 120 kw on HCA
- 21 kw on COM
- 3 kw on Compost Shed
- ATB Learning Lab
- Solar thermal at HSC
- Solar charging Benches

Wind Turbine

- Galileo's Pavilion

Galileo's Pavilion

LEED Platinum Classroom Building
Classroom space scheduled by
Academic Scheduling

Lobby Space open during regular
campus hours.

Virtual tours available by request – email
sustainability@jccc.edu.

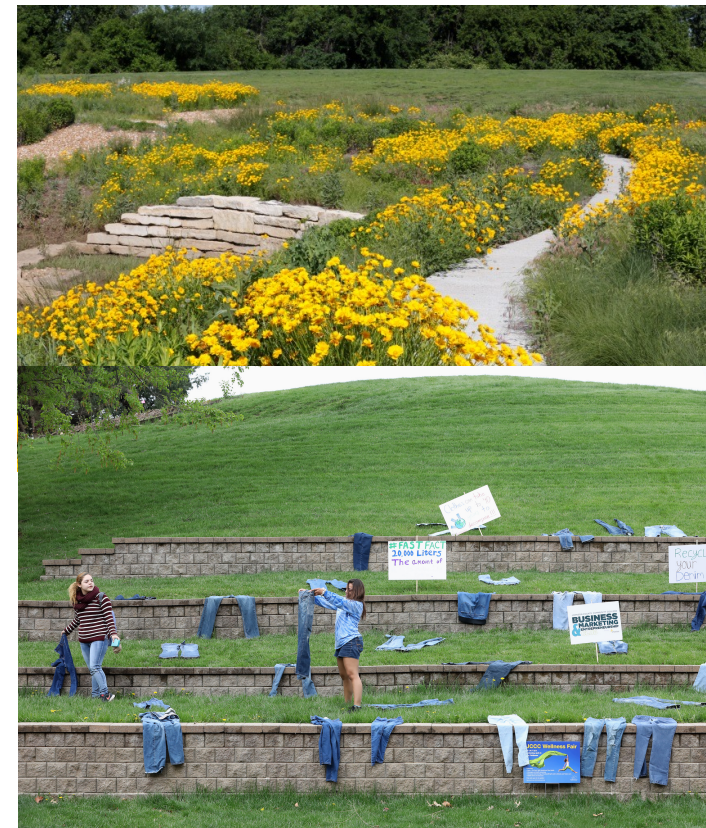

Student Sustainability Committee

None of the work we do would be possible without our students.

In 2009, students lobbied for and received a \$1/credit hour fee for sustainability-related projects, many of which you've seen here today.

That fee, the Sustainable Initiatives Fund, is available to the Student Sustainability Committee for projects on campus. Reach out to sustainability@jccc.edu with your ideas for funding and implementation.

Events

Low- or no-cost, family-friendly virtual events and partnerships – like the virtual Arts Education collaboration we've done since August with climate educator and raptivist Joey FineRhyme will continue throughout the year.

Harvest Dinner – 27 August (jccc.edu/harvest-dinner)

Harvest Days – last week of September

Student and Staff Recycling Event – Oct. 6th

Earth Days – third week of April

Join in trivia, movie nights, panels and lectures, and more.
Want us to consider an event? Just ask!

How To Get Involved

Listserv – contact jantle@jccc.edu

Facebook - facebook.com/JCCCSustainability

Twitter & Instagram – [@SustainableJCCC](https://twitter.com/SustainableJCCC)

Sign up for our quarterly newsletter – jccc.edu/sustainability

Become an E3 Rep in your area

Share your ideas

Michael Rea – mrea@jccc.edu or x3550

Kristy Howell – khowel13@jccc.edu or x2883 or
