RE: Letter of Affirmation – Innovation Credit: Campus Commute – Intercampus Shuttle

Dear AASHE,

My name is Lori Kaplan, Executive Director of Central Indiana Regional Transportation Authority, and I have reviewed the Innovation Credit for Campus Commute shuttle proposed by Indiana University Purdue University at Indianapolis (IUPUI).

This alternative means of transportation between Indiana University's two largest campuses serves all citizens as well as students, faculty and staff of the university.

I affirm that this intercampus shuttle service is innovative and that it meets the AASHE STARS 2.0 criteria for an Innovation credit.

Thank you for your consideration.

Sincerely,

Lori F. Kaplan  
Executive Director  
Central Indiana Regional Transit Authority
