### Survey Respondent Breakdown

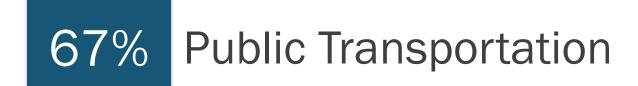

Time Employed at CMU

### Car Access

### **Driving Alternatives**

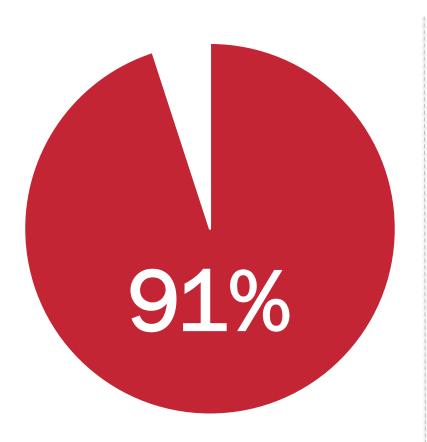

### Most common alternatives to driving + parking on campus:

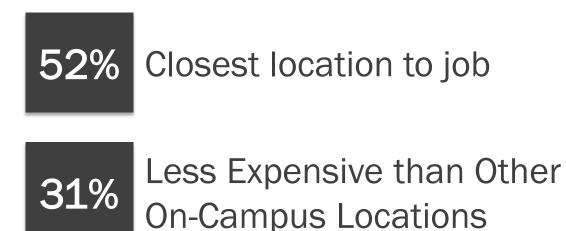

- 14% Bike / Dropped Off
- 6% App-Based Ride Hailing (Uber/Lyft)
- 5% CMU Shuttle
- 4% Carpooling

### **On-Campus Permits**

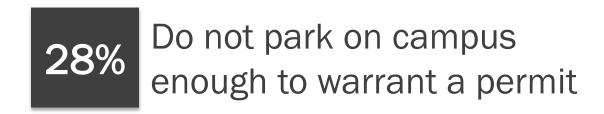

Of those who regularly park on campus have a CMU permit

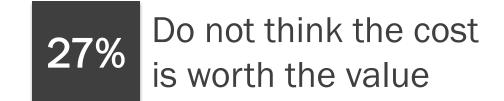

### Top 3 Reasons for Selecting On-Campus Permit Location

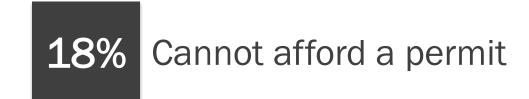

# Top 3 Reasons On-Campus Parkers DO NOT Have a Permit

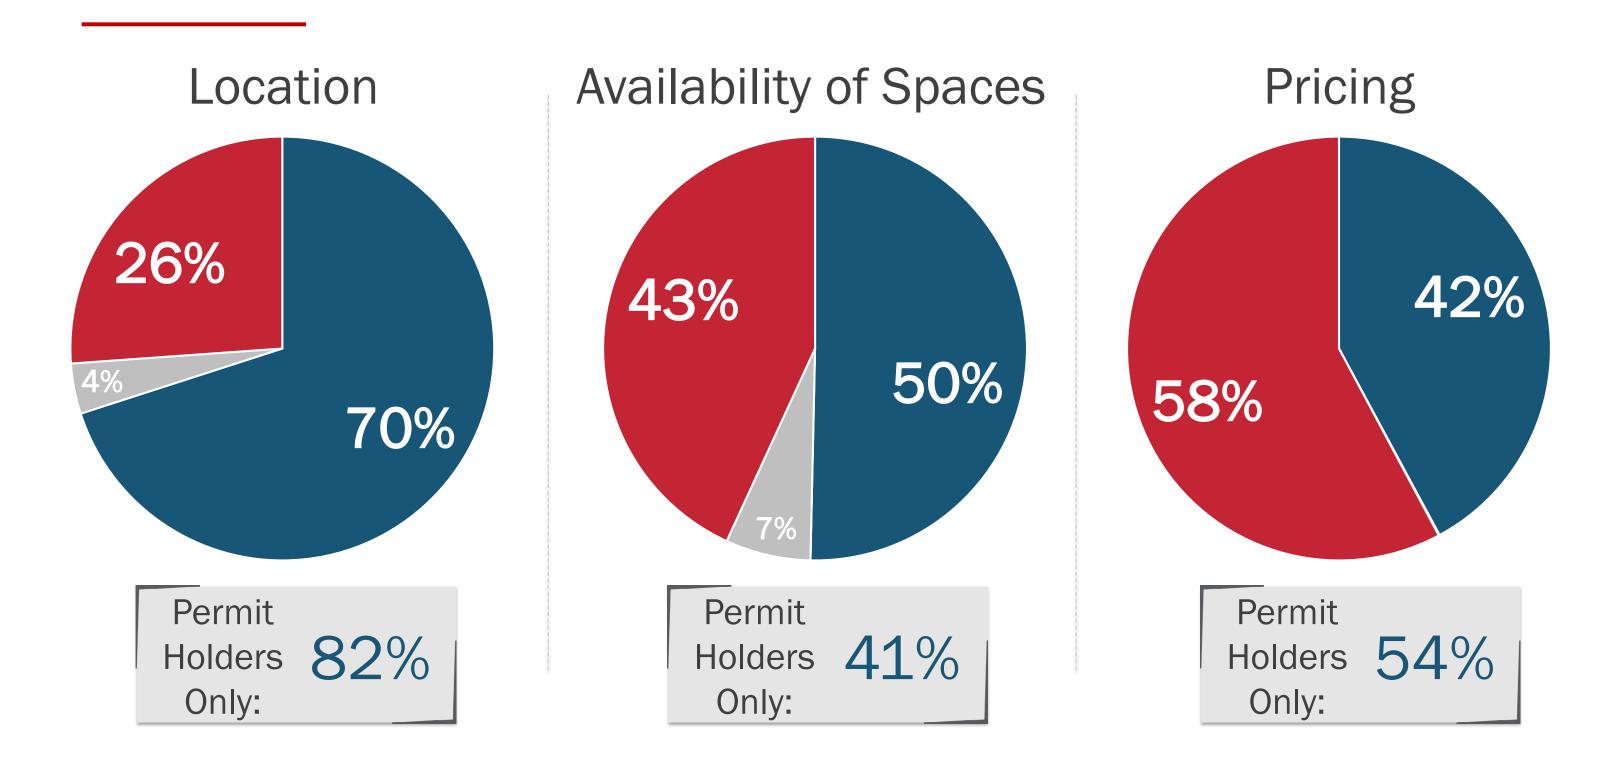

- > 5% of non-permit holders are waiting for a permit
- > 8% of current permit holders are waiting for a permit in a different CMU location

## **On-Campus Parking Satisfaction**

Dissatisfied

Satisfied

Neutral

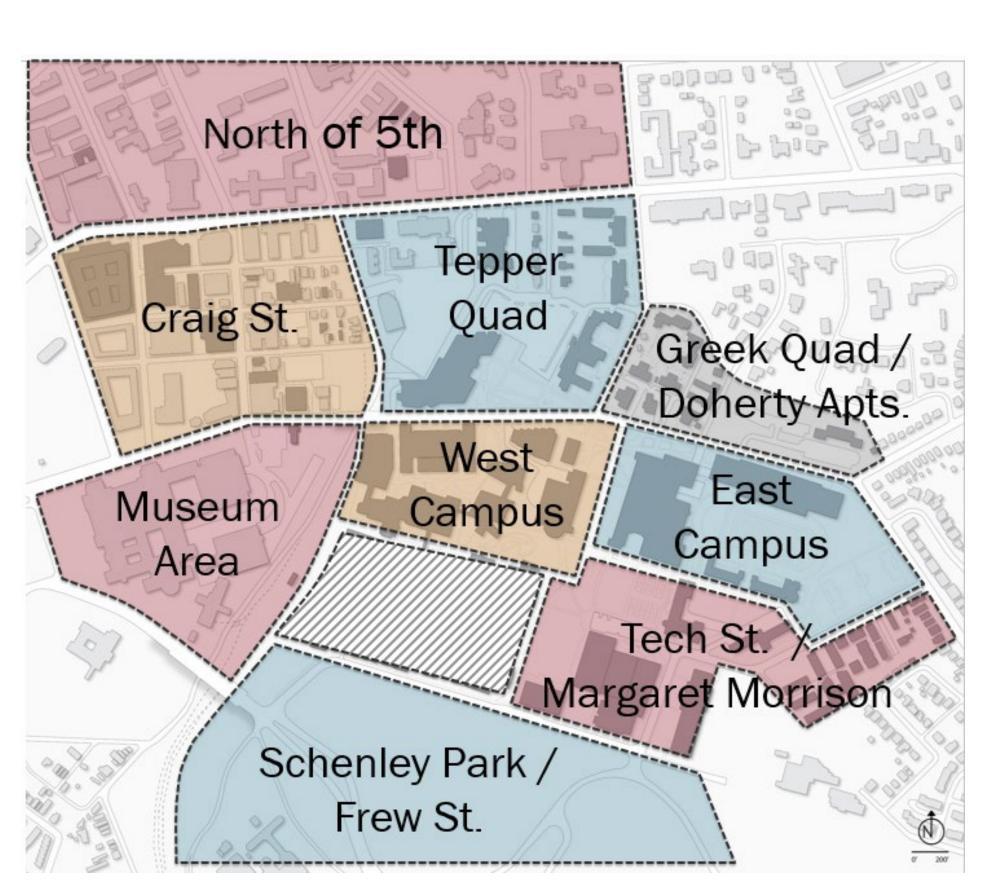

#### F

### On-Campus Parking Preferences

- 20% Craig St.
- 16% East Campus
- 16% Tepper Quad
- 11% Schenley Park / Frew St.
- 6% Tech St. / Margaret Morr.
- 4% North of 5th
- 3% Museum Area
- 3% Greek Quad / Doherty

### **Cost of Parking - Permits**

When the 2017 Jobs Act pre-tax payment is eliminated:

Of permit holders will continue to buy the same permit

Of permit holders will purchase a less expensive permit

Of permit holders will find parking elsewhere (off-campus)

1% Of permit holders will use an alternate form of transportation

## **Cost of Parking**

If parking rates rise over the next few years, current permit holders and non-permit holders would react differently:

- No change, will continue to 43% drive and park on campus
- 35% Will take public transportation
- Will continue to drive, but 23% park off-campus

#### Non-Permit Holders

- Will take public transportation
- Will continue to drive, but 33% park off-campus
- Will walk

When asked if they would consider using app-based ride hailing services like Uber or Lyft if CMU subsidized the cost, respondents answered:

24%

YES

33% 43%

**MAYBE** 

### **Average Commuting Time**

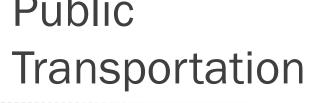

23.8 minutes

24.6 minutes

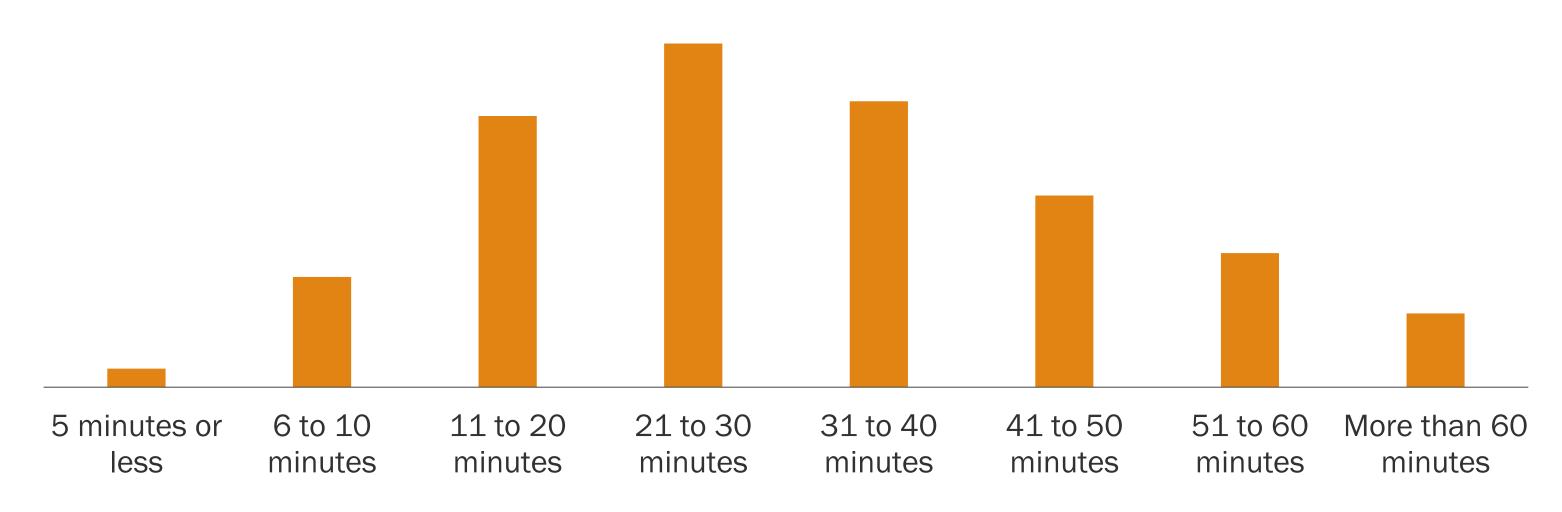

31.1 minutes
Public

32.1 minutes

## Alternative Demand Management Options

Respondents expressed interest in the following options in exchange for a rate reduction indicated below:
