

List of Faculty/Staff involved in sustainability research – 2017 calendar year

Kris James – Health Sciences. [Project 1: Evaluation of Activity & Clinical Efficacy of Novel Oral Probiotics.](#)
[Project 2: Optimization of a probiotic formulation to prevent growth and biofilm formation of clinical isolates of Candida species from elderly populations.](#)

Martin Volkening – Applied Science & Technology. [Project 1: Monitoring net zero home \(Dettson\).](#) [Project 2: Voucher for E-Business and Technology Adoption-Round 4](#)

Mike Depoorter – Applied Science & Technology. [Monitoring net zero home \(Dettson\)](#)

Janice Hyde – Design. [Voucher for E-Business and Technology Adoption-Round 4](#)

Liz Gray – LKSB. [Voucher for E-Business and Technology Adoption-Round 4](#)

Sherry McEvoy – CAE. [Voucher for E-Business and Technology Adoption-Round 4](#)

Jessica Bugorski – Language and Liberal Studies. [Project 1: Continuing Education Credential Completion Strategy](#)

Jodi Hall – Nursing. [Project 1: WeCLiC: Women's Empowerment through Collaborative Learning in Community](#)

Karen Jenkins – Nursing. [WeCLiC: Women's Empowerment through Collaborative Learning in Community](#)

Katherine Stringer – Community Studies. [Project 1: I Can, You Can Program - Phase 2.](#) [Project 2: I Can, You Can Program - Phase 3](#)

Rob Haaf – Contemporary Media. [Project 1: Development of a Web-Based Product Selection Tool.](#) [Project 2: Organ Donation Awareness Website.](#) [Project 3: Digital Supervisor: a customized dashboard and instruction system for J/E Bearing and Machine Ltd.](#)

John Bennett – Contemporary Media. [Project 1: Development of a Web-Based Product Selection Tool.](#)
[Project 2: Organ Donation Awareness Website.](#) [Project 3: Digital Supervisor: a customized dashboard and instruction system for J/E Bearing and Machine Ltd.](#) Jeff Douglas – Language and Liberal Studies. [Haunted Landscapes Archiving Project](#)

Josie Pontarelli – Tourism and Hospitality. [Development and Nutritional Analysis of a Commercialized Sourdough Bread Utilizing Heritage Grains](#)

Carmen Barquero – Tourism and Hospitality. [Development and Nutritional Analysis of a Commercialized Sourdough Bread Utilizing Heritage Grains](#)

Sarah Benbow – Nursing. [Project 1: Housing Education for Syrian Refugees and their Landlords: A qualitative evaluation of the impact on health, housing stability and social inclusion.](#) [Project 2: MIRCI Research and Community Conference in Galway Ireland July 6th-9th, 2017.](#)

Natalia Aguillon – Contemporary Media. [Project 1: Development of a Web-Based Product Selection Tool.](#)
[Project 2: Organ Donation Awareness Website.](#) [Project 3: Digital Supervisor: a customized dashboard and instruction system for J/E Bearing and Machine Ltd.](#)

Helen Pearce – FAMD. [Supporting International Students' Success](#)

Laurie Marshall – Institutional Research. [Supporting International Students' Success](#)

Tom Davis – Building Technology. [Indoor Air Quality Study.](#)

Carmen Hall – Community Studies. [College Life Skills Program.](#)

Ravi Kanaparthi – Applied Science & Technology. [Project 1: Troop Hatch Design Optimization.](#) [Project 2: Manufacturing design for automated packaging of nut based cheese product](#)

Susan Judd – Simcoe campus. [Fanshawe Farm Markets](#)

Stephanie Hernandez – CRI. [Fanshawe Farm Markets](#)

Jennifer Wright – Design. [Analysis of re-engineering for garment micro-manufacturing](#)

Meredith Jones – Design. [Analysis of re-engineering for garment micro-manufacturing](#)

Adrian Dyer – Building Technology. [Alternative Accommodations.](#)

Gary Gerard – Building Technology. [Alternative Accommodations.](#)

Whitney Hoth – Language and Liberal Studies. [Literacy Intervention for Low-Skilled Adults.](#)

Amy Mitchell – Language and Liberal Studies. [Project 1: Literacy Intervention for Low-Skilled Adults.](#) [Project 2: Qualitative Study of Indigenous Students' Experiences.](#)

Russel Schnurr – Design. [Centre Street Visualization.](#)

** No specific project names for CCPV – they are working with various companies on testing and validation of products.*

Ben Cecil – CCPV

John Makaran – CCPV

Rob Fox – CCPV

Adam Wood – CCPV

List of Faculty/Staff involved in sustainability research – 2016 calendar year

Peter Cadieux – Health Sciences

Jodi Hall – Nursing

Karen Jenkins – Nursing

Sharon Selby – Language & Liberal Studies

Shannon Webb – Business

Martin Volkening – Applied Science & Technology

Louis Jraige – Applied Science & Technology

Charles Millar – Applied Science & Technology

Tracy Gedies – Centre for Academic Excellence

Gabriela Kongkham-Fernandez – Centre for Academic Excellence

Ben Cecil – Canadian Centre for Product Validation

John Makaran – Canadian Centre for Product Validation

Stan Carr – Canadian Centre for Product Validation

Rob Fox – Canadian Centre for Product Validation

Greg Ferguson – Canadian Centre for Product Validation

Matt Farrell – Language & Liberal Studies

Adrian Dyer – Building Technology

Gary Gerard – Building Technology

Meredith Jones – Design

Bette Rowe – Oxford Campus

Sherry McEvoy – Business

Dave Knox – Oxford Campus

Eric Collins – Oxford Campus

Kris James – Health Sciences

Steve Gedies – Building Technology

Tyson Macklin – Faculty of Technology

Gary Generaux – Centre for Academic Excellence

Julia Flook – Centre for Academic Excellence

Michael Zhang – Applied Science & Technology

Pat Girard – Applied Science & Technology

Michael Boisvert – Language & Liberal Studies

Adriana Macdonald – Design

Michael Jennings – Applied Science & Technology

Tina Bonnett – Community Studies

Carmen Hall – Community Studies

Mike DePoorter – Faculty of Technology

Solomon Asantey – Building Technology

Amneh Kalloush – Building Technology

Cliona Geraghty – Centre for Academic Excellence

Justin Brunner – Contemporary Media

Chris Pellow – Contemporary Media

Holly Duff – Community Studies

Donna Davis – Community Studies

Rob Haaf – Contemporary Media

Helen Harrison – Nursing

Liz Lorusso – Health Sciences

Julie Brown – Health Sciences

Lorie Ranieri – Nursing

Amy Mitchell – Language & Liberal Studies

Liz Gray – Business

Janice Hyde – Design

Marco DeLuca – Contemporary Media

Cheryl Ketola – Applied Science & Technology

Leigh-Ann Waller – Design

Loren Carriere – Design

Lorrie Dunn – Design

Mark Boyd – Building Technology

Katherine Stringer – Community Studies

John Bennett – Contemporary Media

Natalia Aguillon – Contemporary Media

Adair Meehan – English Language Institute

Michelle Muller – English Language Institute
