

Comparison of Cultural Questions - Results from Fall 2018 and Spring 2019

Fall 2018 survey went out to freshman and transfer students. Spring 2019 survey went out to graduating seniors and graduate students:

FALL 2018

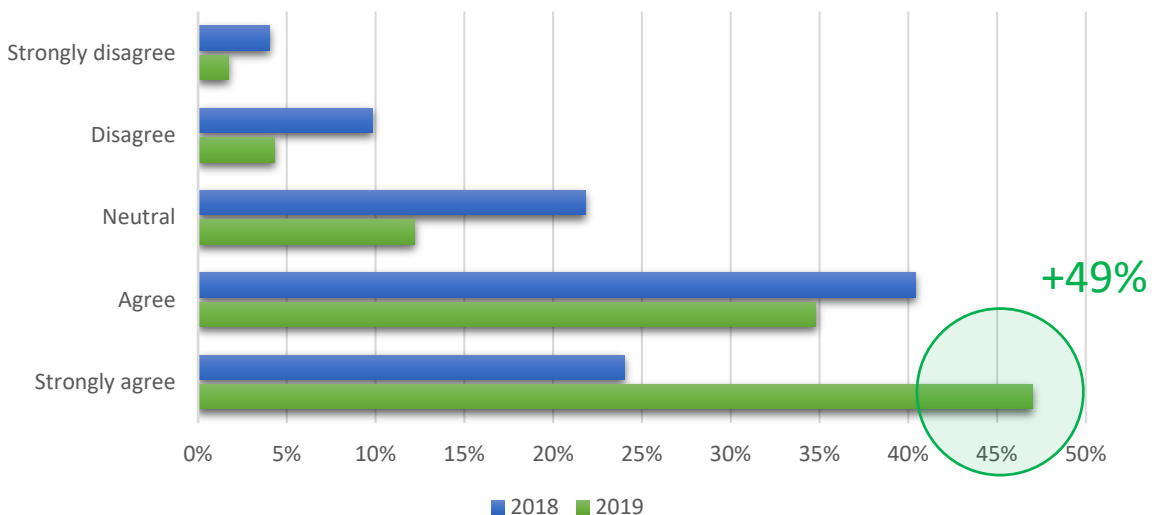

SPRING 2019

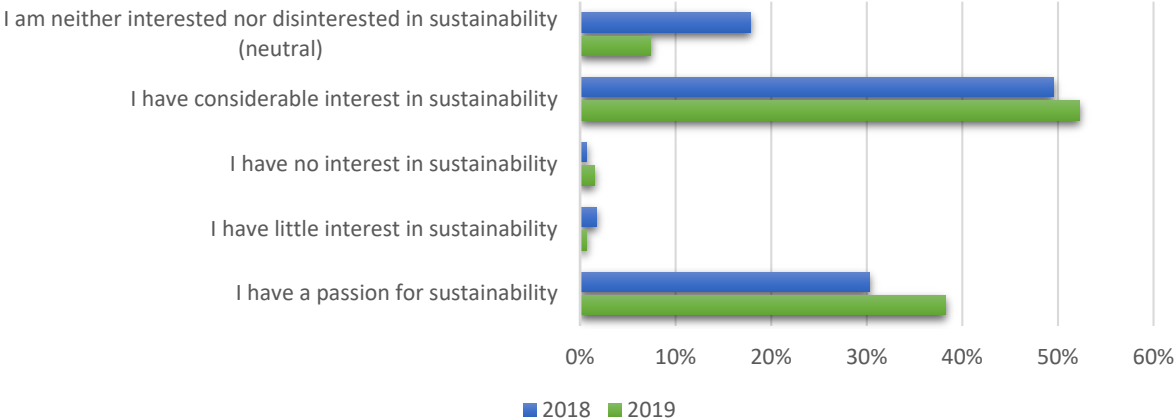

Following are response comparisons from seven of the questions:

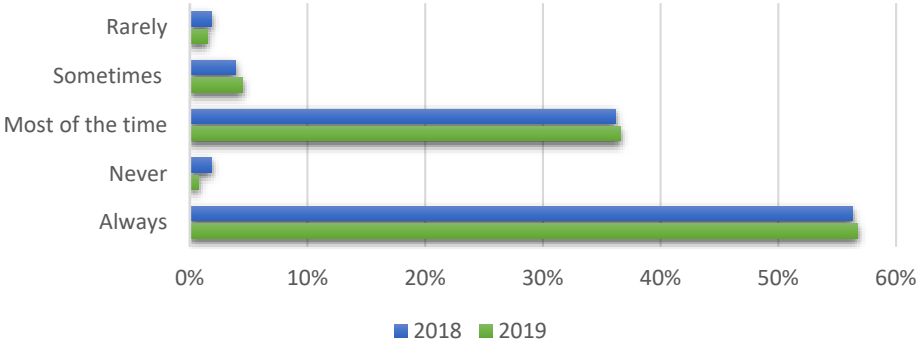

My understanding and awareness of sustainability related issues has increased since I have become a student at HSU

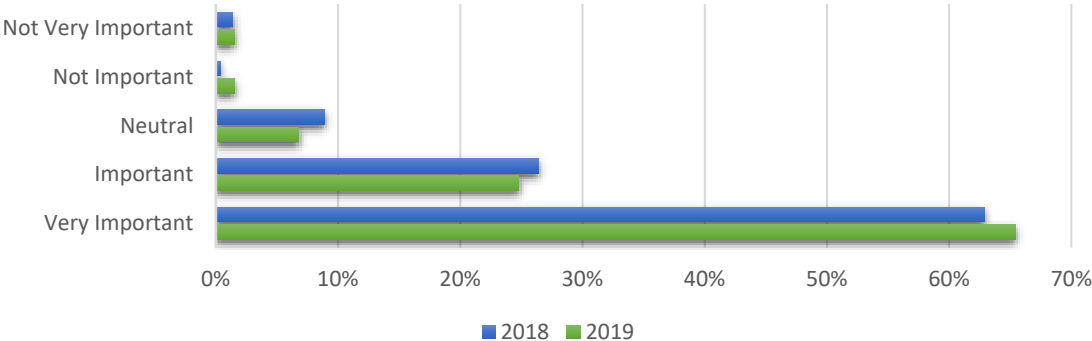

Please indicate which of the following statements best describes your level of interest in sustainability:

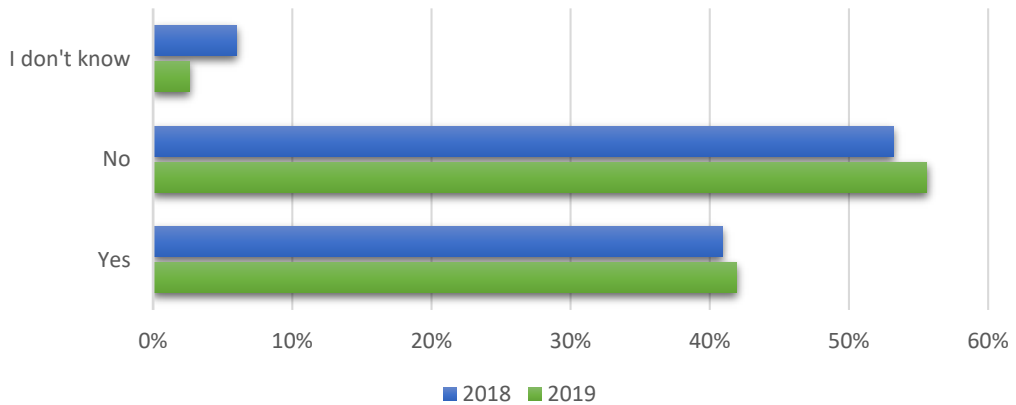

Please indicate how often you engage in the following activities? -Use a reusable water bottle, coffee container, etc.

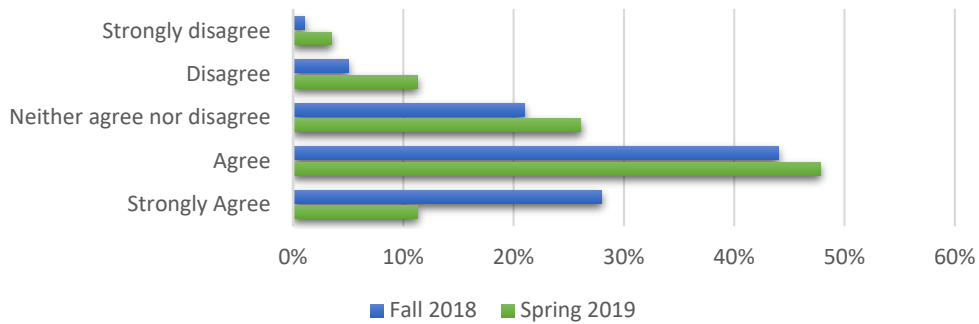

Please indicate the degree of importance you place on the following sustainability issue: Minimizing carbon emissions from transportation

Was HSU's commitment to sustainability a reason you chose to come here?

I feel that HSU is doing a good job of modeling sustainability in its daily operations

I would prefer more sustainability-related content in my courses
