Hello,

I verify that the information stating the wage amounts allowed me to complete the pay scale ratio.

I compared the highest and lowest paid employee at HSU by accessing the information in PeopleSoft where all the employee information is stored.

The maximum paid employee (President) makes \$28,925 /month
The lowest paid employee (Admin Support Assistant 10/12) makes \$2,276 /month

For reference about salaries, more information can be found in the Transparent California website:

Thank you,
Alfredo
