

THE SUPER 6

FOR SUSTAINABILITY

01

Take the online Student Sustainability Training

Explore the steps USC is taking towards becoming a greener campus and learn how you can help!

02

Carry a reusable water bottle

Conveniently refill it at any of the 200+ campus hydration stations.

03

Get the Supdate

Join the Supdate Slack workspace to learn about upcoming events, opportunities, internships and more!

04

Visit the Sustainability Hub in STU 101

Lounge, study, and connect with other students from the campus sustainability community.

05

Get FREE unlimited rides on Metro rail and bus lines

Enroll in the USC Student U-Pass Program to green your commute.

06

Sort your waste at a nearby multi-stream, zero-waste bin

Lower your carbon footprint and help USC improve its waste diversion rate.

Follow these six, easy tips to become a Sustainable Trojan.
