Re: California State University, Fullerton STARS Submission

On behalf of California State University, Fullerton, I am pleased to submit the results of our second campus-wide assessment of sustainability programs, policies, initiatives, and practices.

The STARS submission reflects the collaborative and comprehensive efforts of our students, staff, and faculty. Championed and completed by our Facilities Management Engineering and Sustainability unit, this report shows the perseverance and dedication of our campus community to our future students and the environment.

I affirm this information, and our provisional Silver rating, to be true and accurate to the best of our abilities. By submitting this report, this campus continues on its path toward a more sustainable tomorrow.

Sincerely,

Mildred García, Ed.D.
President
