Dear Mr. Goldsmith:

Since our founding over thirty years ago, we at St. John's Bread and Life have provided many millions of meals to our Bedford-Stuyvesant neighbors and to the New York City community beyond, always in the spirit of our mission *to feed the mind, body, and spirit* of those in need. And as we continue in our daily endeavors, we are sustained by two fundamental principles: the necessity of our work and the generosity of our donors.

So, on behalf of everyone here at St. John's Bread and Life, please accept my deepest appreciation for your extraordinary gift of \$2,829 in support of our program. Your support is a welcome reminder of the importance of what we do, and it will go directly towards assisting the poorest among us on their journey to wholeness.

Thank you for your compassionate consideration.

Sincerely,

Anthony Butler  
Executive Director
