STARS Final Submission

As a *Catholic, Vincentian and Metropolitan* institution, the values of sustainability are inherent to the mission of St. John's University.

As we endeavor to guide our thought, teaching and action by the values of this institution, we naturally continue to embrace the sustainability movement.

The STARS submission for St. John's University reflects this mission. Compiled by the Sustainability Committee with the cooperation of the entire university community, this submission was completed as accurately as possible.

Thank you for your consideration.

Sincerely,

Julia A. Upton - RSM
