

5 REASONS TO SWITCH TO REUSABLE CUPS

1. Get a **discount** at Java Joe and GQ when you use your mug.
2. Fill your mug when you visit Woods Dining Hall with coffee, drinks or soup.
3. Tumblers keep your coffee warmer!
4. This mug is BPA free and partially utilizes wheat-based bioplastic, which decreases our reliance on polypropylene.
5. After 17 uses, your mug will have used less energy than a disposable cup.

Office of Sustainability
Dining Services

Have your own favorite tumbler and won't use this one?
Return it to the dining hall or the Office of Sustainability, we will wash it and give it to someone who will.
