

CAMPUS SUSTAINABILITY

MISSION STATEMENT

"We will investigate, develop and promote sustainability in our research and curriculum, administrative and facilities operations, campus community and other communities to which we belong, as well as in our individual behavior."

MUHLENBERG LEADERHIP

100%

of campus electricity is generated by onsite & offsite renewable energy projects.

There are over 50 water bottle filling stations on campus to reduce dependency on single use plastic

2

Certified Green Buildings on campus - Fahy Commons & Shankweiler

Muhlenberg offers an interdisciplinary Sustainability Major and Minor

27

Student organizations dedicated to social and environmental sustainability.

Since 2015, the college has been among select institutions recognized for effective campus forest management and conservation goal engagement.

92%

of students engage in community service each year.

Muhlenberg currently holds a silver ranking in The Sustainability Tracking, Assessment & Rating System™ (STARS®).

46

percent reduction in potable water usage from baseline year 2013.

TAKE ACTION

Use your ID to ride free on LANTA

Commit to the campus Diversity, Equity, Inclusion & Belonging Statement

Use your ID to check out a bicycle & helmet from Trexler Library for 24hrs

Ask for a free reusable to-go container at the Wood Dining Commons

Share your ideas with the President's Committee on Sustainability

Get a \$0.25 discount at Java Joe & the General's Quarters when you bring a reusable mug

COMMUNITY CONNECTIONS

Learn more about life in the Lehigh Valley and support local businesses.
