Title: Letter of Affirmation

Subject: AASHE STARS Pre-Submission Review

To Whom It May Concern:

I am writing to verify that I, along with three of my colleagues (Zoë Eisel '26, Robyn Landes '24, and Julia Sparks), reviewed Muhlenberg College's AASHE STARS 2.2 report. The credits that we reviewed were done thoroughly and with integrity. On several occasions, we had comments, suggested revisions, or required fixes before the final submission. In each case, the staff at Muhlenberg College addressed the issue promptly and accurately.

The credits that we reviewed have my full support in attempting to meet the intent of the STARS report.

Please let me know if you have any questions.

Sincerely,

John Pumilio, director of sustainability
Colgate University
