Dear Members of the STARS Steering Committee:

On behalf of Muhlenberg College, I am pleased to submit the STARS report which gathers data on our sustainability efforts on campus. These collected efforts are a culmination of a decade of commitment and progress from faculty, staff and students and we are pleased to submit this assessment for your consideration.

To the best of our knowledge and ability it is complete and accurate and, as president of Muhlenberg College, I endorse its content.

Sincerely,
