OFFICE OF SUSTAINABILITY

5 categories

The Office of Sustainability's mission is to "cultivate an ethos of ecological citizenship and stewardship through education, sustainability planning and community engagement to create an environmentally, socially, and economically just world." We focus on 5 major categories which allow us to achieve our goals to educate the campus about sustainable living and to provide opportunities for faculty, staff and students to engage with sustainability.

Biodiversity

Biodiversity: will help protect, preserve and revitalize habitat through sustainable land management

Energy

Energy: focused on managing the campus with mindset for conservation and a focus on efficiency and renewable production.

Food

Food: in the Grantham Community Garden, students and staff work together to provide fresh produce to sell at markets as well as provide food to Messiah's dining services.

Waste

Waste: aims to divert the college's landfill waste through on-site composting and increased recycling.

Engagement

Engagement: educate and serve the campus and community through education, advocacy, and collaborative work

OPPORTUNITIES:

- Composting - Stop by the Office (ECC 159) for a small compost bucket for your office!
- Recycle - Use the recycle bins that are located in every dining facility
- Shop at our produce market on Thursdays
- Turn off your office lights and computers when not in use
- Use a power strip for office electronics
- Recycle Printer/Copier cartridges at the College Post Office
- Commute to work on a bike or travel with a colleague in the same car
