

Project Title: Copy of 2022 NSCC Sustainability Survey for Reports

Survey Audience: 10181 Responses Received: 3351 Response Ratio: 33%

Opted out: 0

Prepared by: Institutional Research

Creation Date: Tuesday, September 20, 2022

Sustainability Literacy and Knowledge

The following questions were designed to measure what NSCC students already know about sustainability practices that support the environment, society and economy.

<u>Do not worry if you do not know the answer, take your best guess!</u>
Which of the following best matches the definition of sustainable development?

<u>Do not worry if you do not know the answer, take your best guess!</u> Which of the following best matches the definition of sustainable development?		
Options	Count	Percentage
Development that meets the needs of the present without compromising the ability of future generations to meet their own needs.	2494	76%
Development that is as environmentally friendly as possible without negatively influencing the ability of companies to turn a profit.	703	21%
Development that is completed as quickly as possible so that people living in less developed countries have access to modern technology.	95	3%

Which of the following are pillars of sustainability?

The United Nations Sustainable Development Goals (SDGs) are a set of goals that address a number of complex global problems including poverty, climate change, inequalities and safety. How many Sustainable Development Goals are there?

What is the name of the most recent international agreement surrounding climate change?

2022 Sustainability - Overall 2/7

To the best of your knowledge, climate change is mostly caused by:

Which greenhouse gas is generated most by people?

To the best of your knowledge, global average temperatures can rise by how much without resulting in a major global catastrophe? (select all that apply)

Options	Count	Percentage
0°C to 1°C	1181	27%
1°C to 2°C	1281	29%
2°C to 3°C	601	14%
3°C to 4°C	311	7%
4°C to 5°C	253	6%
Unsure	807	18%
Respondent(s)	3346	

NSCC strives to reduce greenhouse gas emissions. In what area can NSCC make the biggest reductions?

2022 Sustainability - Overall 3/7

In Nova Scotia, on average, approximately how much waste is produced by each person every year?

On average, how much waste do NSCC campuses currently divert from landfills (i.e. recycle, compost, or repurpose)?

How often does NSCC publish a Sustainability Report?

Sustainability Culture

The following questions were designed to measure how NSCC students feel about sustainability practices and the environment, society and economy.

Please indicate your level of agreement with the following statement: Environmental/sustainability-related issues affect my daily life and habits.

2022 Sustainability - Overall 4/7

Which of the following do you identify as elements of social sustainability?

Options	Count	Percentage
Education and Training	2353	24%
Health and Safety	2141	22%
Wellbeing and Happiness	2023	21%
Financial Security	1457	15%
Equity and Inclusion	1736	18%
None of the above	98	1%
Respondent(s)	3341	

When you chose your program at NSCC, did you consider its relation to sustainability?

Please indicate your level of agreement with the following statement: NSCC demonstrating leadership in on-campus sustainability is important to me.

I feel that NSCC is doing a good job of demonstrating sustainability leadership in Nova Scotia.

2022 Sustainability - Overall 5/7

How willing are you to participate in sustainability activities on campus?

What type of event would you be most interested in participating in?

What type of event would you be most interested in participating in?		
Options	Count	Percentage
Environmentally-focused events (e.g., biodiversity, habitats or waste management)	994	30%
Socially-focused events (e.g., food security, equality, or education)	1225	37%
Economically-focused events (e.g., local businesses, sustainable career fairs, or innovation)	799	24%
None of the above	318	10%

Before coming to NSCC, how often did you participate in sustainability-related activities?

Are you aware of any of the following sustainable infrastructure initiatives NSCC currently participates in? Check any that you have heard of:

Options	Count	Percentage
BOMA BEST	116	3%
LEED	415	11%
STARS	284	8%
Rick Hansen Foundation Accessibility Certification	433	12%
None of the above	2410	66%
Respondent(s)	3311	

Where do you get your information on sustainability? Check all that apply:

Options	Count	Percentage
Social media	2153	32%
News media	1830	27%
NSCC	1121	17%
Family and/or friends	1272	19%
I have not heard anything about sustainability	345	5%
Respondent(s)	3331
