

THURSDAY, JANUARY 31, 2019

5-6:30 P.M.

COLLEGE OF CHARLESTON ADVOCACY TRAINING

SHARE

Calling all college-aged conservationists! Join the Coastal Conservation League for an informative and hands-on advocacy training that aims to connect you with important issues and your elected officials. Learn from the pros. Ask questions. Get a free meal. Make a difference.

You must reserve your seat [HERE](#):

When: College of Charleston Advocacy Training

When: Thursday, January 31 from 5 to 6:30 p.m.

Where: Stern Center, Room 206

Event is free! Must RSVP!

If you have questions or want to talk more, connect with Community Outreach Coordinator Jasmine Gil at jasmineg@scccl.org or (843)-790-5266. Thanks for joining us to protect South Carolina's coast. We look forward to seeing you there!

LET SOLAR LIVE

Attention South Carolina:

THE PUBLIC SERVICE COMMISSION WANTS TO KILL S.C. SOLAR!

The PSC sided with the utility companies to cut payment for solar credits by 33%, crippling the growing solar industry .

WANT TO MAKE A DIFFERENCE?

- Join us at the Public Service Commission Town Hall on Dec 16, 5:30-7 PM at 2500 City Hall Lane, North Charleston
- Follow @climateresalitycharleston and @cvofsc on social media
- Call your legislators to tell them you support solar and the PSC made the wrong choice
