

OSHA's Form 300A

Summary of Work-Related Injuries and Illnesses

Year 2018

U.S. Department of Labor
Occupational Safety and Health Administration

Form approved OMB no. 1218-0176

All establishments covered by Part 1904 must complete this Summary page, even if no work-related injuries or illnesses occurred during the year. Remember to review the Log to verify that the entries are complete and accurate before completing this summary.

Using the Log, count the individual entries you made for each category. Then write the totals below making sure you've added the entries from every page of the Log. If you had no cases, write "0."

Employees, former employees, and their representatives have the right to review the OSHA Form 300 in its entirety. They also have limited access to the OSHA Form 301 or its equivalent. See 29 CFR Part 1904.35, in OSHA's recordkeeping rule, for further details on the access provisions for these forms.

Number of Cases

Total number of deaths	Total number of cases with days away from work	Total number of cases with job transfer or restriction	Total number of other recordable cases
0	5	6	7
(G)	(H)	(I)	(J)

Number of Days

Total number of days away from work	Total number of days of job transfer or restriction
152	586
(K)	(L)

Injury and Illness Types

Total number of . . .			
(M)			
(1) Injuries	18	(4) Poisonings	0
(2) Skin disorders	0	(5) Hearing	0
(3) Respiratory condition	0	(6) All other illnesses	0

Post this Summary page from February 1 to April 30 of the year following the year covered by the form.

Public reporting burden for this collection of information is estimated to average 50 minutes per response, including time to review the instructions, search and gather the data needed, and complete and review the collection of information. Persons are not required to respond to the collection of information unless it displays a currently valid OMB control number. If you have any comments about these estimates or any other aspects of this data collection, contact: US Department of Labor, OSHA Office of Statistics, Room N-3644, 200 Constitution Avenue, NW, Washington, DC 20210. Do not send the completed form to this office.

Environmental Health & Safety

About the Department

Special Note: Discuss all field trips to Stono Preserve with EHS before making final plans.

The Department of Environmental Health and Safety (EHS) actively promotes a positive, responsible, integrated safety culture at all levels of the College of Charleston community, advocates providing a safe and healthy living, learning, and working environment for all, and assists departments with complying with regulations and mandates. EHS offers a variety of programs and services to ensure that we all have a safe place to learn, live and work.

Evaluation Services

- Accident and Incident Review
- Contractors
- Ergonomic Plans
- Field Safety Plan Preparation
- Hazardous Materials
- Laboratory Risk Assessment
- Laboratory Standard Operating Procedures
- Occupational Health and Safety Programs
- Project Safety Review
- Risk Assessments
- Waste Management

Training - contact EHS for training programs in any of the areas we cover.
