RE: The Ohio State University at Mansfield STARS Submission

Dear STARS Steering Committee:

I am pleased to support and affirm the accuracy of the information gathered by our dedicated faculty and staff for The Ohio State University Mansfield Sustainability Tracking Assessment & Rating System (STARS) report submission.

This process proved valuable to establishing a baseline for our regional campus and identifying opportunities to continue to expand our sustainability efforts with the OSU Columbus Campus.

Sincerely,

A handwritten signature in black ink that reads "Stephen M. Gavazzi".
