Student Veteran Lounge, Innovation Credit (AASHE STARS 2016 Report)

We have around 25 student veterans on our campus and some of them asked for an isolated spot where they could get away from the hustle and bustle of campus life. We found a small room and equipped it with furniture, a small refrigerator, and a coffee machine. In the room, we offer free coffee and snacks for the veteran students. Additionally, there is a veteran's student book exchange where they can take or leave textbooks for classes. Currently we are looking for a larger space as we have outgrown our current one.

We are excited to note the measures taken as Innovative in nature and continued steps in the right direction for a more sustainable future!
