Dear AASHE Staff and STARS Steering Committee,

I, the undersigned, affirm that our office has conducted a review of the STARS report in full, that Angela Oberg, Associate Director, has responded to inconsistencies and errors identified by our team, and that the necessary changes have been made to the report where revision was required prior to submission.

Our office further attests that we have not been involved with the collection of any data for the Rutgers University STARS report.

Sincerely,

Ryan Kmetz, ENV SP
