

Earth Month EVENTS

COME PARTICIPATE IN THE CELEBRATION!

Earth Day Festival

Saturday, April 13
11–2 p.m.
Main campus, around
the Lakes

Join the Endicott College community as we celebrate our earth in a festival set outside around our main campus lakes. There will be food, arts & crafts, tie-dying, lawn games, a smoothie bike, electric cars, and snakes and reptiles brought by Cape Ann Vernal Pond.

Community vendors: Change Is Simple, Full Circle Earth, and North Shore Technology Council.

This event is open to the public.

Tuesday, April 16
Sustainability Trivia
8 p.m., Gully's

Wednesday, April 17
STEM Speaker Series: A Sustainable and Renewable Cycle for Producing Food and Fuels with Daniel G. Nocera
7 p.m., Business & Science Center, Klebanoff Auditorium

Thursday, April 18
Movie Night: Evolution of Organic
8 p.m., Location TBD

Friday, April 19
