Dear Ms. Zahniser,

We have served as the reviewers for the University of Idaho's 2023 STARS submission. Throughout reporting, we have reviewed each credit we are pursuing for accuracy and inconsistencies by following the STARS Review Template. As we identified potential errors, we reached out to the Responsible Parties and the STARS Liaisons to prompt edits and confirm entries. When the parties addressed our review notes, we marked the credit as complete.

We affirm that this STARS report has been reviewed under the guidelines for PA-4: Reporting Assurance using the provided STARS Review Template. All identified errors and inconsistencies were addressed before submission.
