

Timestamp	Email Address	What's your name?	How often did you use it?	What were the reasons why you did not use your compost bin often? (check all that apply)	Do you save your dining hall takeout containers to compost?	Do you anticipate participating in the Real Food Compost Initiative next year? (aka do you want us to reserve you a bin for next year)	How likely are you to refer a friend to participate in this program?	I would like to see a compost toter located...	Suggestions to improve the initiative for next year:	Please pick the day that you will drop off your compost bin to Mod 20A.	I hereby promise that I will clean (soap and water rinse and scrub) my compost bin before returning it to Mod 20A on the above chosen date.	My bin is fully intact, just as it had been given to me.	Did they drop it off

5/8/2021 16:13:51	hallim@bc.edu	Merritt Hall	4		Yes	Yes		Somewhere accessible for off campus houses? I'd love to do this again but will be a bit far away on 4. KivaWood next year. I would just like the 2k location to be more accessible to off campus people! Sometimes the bin was in the basement, sometimes it was in the alley outside. I would walk in the garage way and one time had the security guard close the door on me. Having it consistently outside 5 would be nice.
