Home-to-work commute trips

Please take a moment and indicate how you commuted from home to Boston College during the week of Monday, October 25 through Friday, October 29, 2021. For example, if you drove to work alone during your work week, slide the bar to "5" for the Drive Alone commute mode. If you took more than one mode of transportation to work each day, only count the mode taken for the longest distance during your commute to BC.
