

# CAS Environmental Studies Program

[Home](#) [About Us](#) [People](#) [Undergraduate](#) [Graduate](#) [Collaboration](#) [ELP](#) [News & Events](#) [Resources](#) [Careers & Alumni](#)

## Participating Faculty

[Anthropology](#)

### William S. Ayres

Island societies, Subsistence methods, Ethnoarchaeology  
<http://www.uoregon.edu/~wsayres/index.html>

### Aletta Biersack

Pacific Basin cultures, historical anthropology, gender  
<http://anthropology.uoregon.edu/profile/abiersac/>

### Gyoung-Ah Lee

Paleoethnobotany, paleoenvironment, phylogenetics of crops, gendered archaeology, and quantitative archaeology  
<http://anthropology.uoregon.edu/profile/galee/>

### Lamia N. Karim

Globalization, gender, human rights, and social movements  
<http://anthropology.uoregon.edu/profile/lamia/>

### Geraldine Moreno-Black

Human ecology, nutritional anthropology  
<http://pages.uoregon.edu/gmorenob/>

### Madonna Moss

New world archaeology, cultural resource management, coastal fishing societies  
<http://www.uoregon.edu/~mmoss>

### James "Josh" Snodgrass

Biological anthropologist who specializes in human evolutionary biology, human adaptation to environmental stressors  
<http://www.pinniped.net/snodgrass.html>

### Lawrence Sugiyama

Evolutionary psychology, behavioral ecology, hunter-gatherers  
<http://pages.uoregon.edu/sugiyama/>

### Nelson Ting

Molecular ecology, evolutionary biology, conservation biology,

<a href="#">« Jan</a>						

phylogenetics, population genetics, phylogeography  
<http://molecular-anthro.uoregon.edu/Ting/index.html>

## Philip Young (Emeritus)

Cultural ecology, indigenous knowledge systems  
<http://pages.uoregon.edu/anthro/people/faculty/emeritus-faculty/#young>

[Top of Page](#)

---

Architecture

## G.Z. Brown

Environmental control systems, effects of energy & material conservation on architectural form  
<http://architecture.uoregon.edu/faculty/brown>

## John Reynolds (Emeritus)

Design, relating architecture, energy consumption  
<http://architecture.uoregon.edu/about/faculty/emeritus>

## Roxi J. Thoren

Sustainable urban design, brownfield redevelopment, microclimate design, place-based cultural identity politics  
<http://architecture.uoregon.edu/faculty/thoren>

[Top of Page](#)

---

Art

## Carla Bengtson

Painting, environmental aesthetics  
<http://art.uoregon.edu/faculty/carla-bengtson>

## Colin H. Ives

Ecological issues, use of technology  
<https://art.uoregon.edu/faculty/colin-ives>

[Top of Page](#)

---

Biology

## William Bradshaw

Population biology, evolution, organism response to environmental change  
<http://www.uoregon.edu/~mosquito/>

## Bill Cresko

Evolution & development of the threespine stickleback  
<http://ie2.uoregon.edu/people/cresko>

## George Carroll (Emeritus)

Fungal host specificity  
<http://ie2.uoregon.edu/people/carroll>

## **Richard Castenholz (Emeritus)**

Aquatic ecology, microbial communities  
<http://ie2.uoregon.edu/people/castenholz>

## **Richard Emlet**

Evolution & development of marine invertebrates  
<http://www.uoregon.edu/~remlet/>

## **Jessica Green**

Soil microbial communities in marine, alpine and mediterranean systems  
<http://pages.uoregon.edu/green/>

## **Janet Hodder**

Ecology of marine birds  
<http://oimb.uoregon.edu/?faculty=janet-hodder>

## **Barbara ("Bitty") Roy**

Influence of pathogens on host biodiversity, plant population ecology, pollination ecology  
<http://ie2.uoregon.edu/people/roy>

## **Alan Shanks**

Marine & inter-tidal ecology, larval biology, animal behavior  
<http://www.uoregon.edu/~ashanks/>

## **Lynda Shapiro (Emeritus)**

American and Native American architecture, urban planning

## **Kelly Sutherland**

Trophic interactions, cycling of organic material in the ocean, biological propulsion  
<https://honors.uoregon.edu/faculty/kelly-sutherland>

## **Nora Terwilliger (Emeritus)**

Comparative physiology, biochemistry of marine organisms  
<http://oimb.uoregon.edu/?faculty=nora-terwilliger>

## **Joe Thornton**

Science & policy of global chemical pollution, evolution of the endocrine system, gene family evolution  
<http://thorntonlab.org/>

## **Dan Udovic (Emeritus)**

Dynamics of pollination mutualisms, population modeling, science education  
<http://pages.uoregon.edu/udovic/>

## Peter Wetherwax

Ecology, pollination biology, animal behavior, science education  
<http://ie2.uoregon.edu/people/wetherwax>

## Michelle Wood

Microbial ecology & evolution  
<http://ie2.uoregon.edu/people/wood>

[Top of Page](#)

---

Business

## Michael Russo

Corporate policy & strategy, environmental management  
<https://business.uoregon.edu/faculty/michael-russo>

[Top of Page](#)

---

Chemistry

## Paul Engelking

Atmospheric chemistry, environmental monitoring  
<http://chemistry.uoregon.edu/profile/engelki/>

## James Hutchison

Organic green chemistry, research & education  
<http://hutchlab.uoregon.edu/>

[Top of Page](#)

---

Computer & Information Science

## John Conery

Environmental modeling, computational science, parallel computing  
<http://www.cs.uoregon.edu/~conery/>

## Arthur Farley

Computer science, artificial intelligence, graph-theoretic approach to communication network design  
[https://www.cs.uoregon.edu/People/Faculty/Arthur\\_Farley.php](https://www.cs.uoregon.edu/People/Faculty/Arthur_Farley.php)

[Top of Page](#)

---

Creative Writing

## Garrett Hongo

Poetry  
<http://crwr.uoregon.edu/people/hongo/>

[Top of Page](#)

---

Economics

## William Harbaugh

Environmental & resource economics  
<http://harbaugh.uoregon.edu/>

## Ralph A. Mastromonaco

Environmental economics, public economics, empirical industrial organization, applied microeconomics.  
<http://pages.uoregon.edu/ralphm/Home.html>

## Ed Whitelaw (Emeritus)

Urban-regional economics  
<http://pages.uoregon.edu/whitelaw/>

[Top of Page](#)

---

Education

## Jeffrey S. Edmundson

Integrating a cultural–ecological way of thinking into teacher education and teaching for community and environmental sustainability

[Top of Page](#)

---

English

## Suzanne Clark

Modernism & discourse of nature, Annie Dillard, theory of the real, rhetoric, ecofeminism  
<https://english.uoregon.edu/profile/sclark>

## James Crosswhite

Theory, philosophy (esp. Heidegger), rhetoric, construction of “wildness” & “wilderness”  
<http://english.uoregon.edu/profile/jcross>

## John Gage

Rhetoric, Kenneth Burke, ethics of environmental arguments, poetry of natural world, Robert Frost  
<http://english.uoregon.edu/profile/jgage>

## Glen Love (Emeritus)

Literature and environment  
<http://english.uoregon.edu/profile/rglove>

## William Rossi

Henry David Thoreau, 19th century natural science & literature, natural history & the American Renaissance  
<http://english.uoregon.edu/profile/rossiw>

## Gordon Sayre

Colonial American literature, relationships between European colonists and Native Americans, Colonial American natural history  
<http://english.uoregon.edu/profile/gsayre>

## Elizabeth Wheeler

Post-1945 American literature, youth literature and popular culture, disability studies, cultural studies, and community literacy  
<http://english.uoregon.edu/profile/ewheeler>

[Top of Page](#)

---

Geography

## Patrick Bartlein

Environmental change, climatology  
<http://geography.uoregon.edu/profile/bartlein/>

## Chris Bone

GIScience, spatial analysis and modeling  
<http://geography.uoregon.edu/profile/cbone/>

## Shaul E. Cohen

Political geography, afforestation, environmental conflict  
<http://geography.uoregon.edu/cohen/>

## Mark Fonstad

Geomorphology, hydrology, remote sensing, environmental simulation  
<http://geography.uoregon.edu/Faculty/Fonstad>

## Dan Gavin

Paleoecology, forest community response to climate change  
<http://geography.uoregon.edu/profile/dgavin/>

## Susan Hardwick

Cultural/historical settlement in the West, ethnic migration  
<http://geography.uoregon.edu/hardwick>

## Derrick Hindery

Global economic restructuring of ecosystems, indigenous communities in Latin America/US  
<http://intldept.uoregon.edu/profile/dhindery>

## Andrew Marcus

Impacts of disturbance on hydrology, geomorphology & riparian vegetation of streams  
<http://geography.uoregon.edu/amarcus/index.html>

## Katie Meehan

Nature-society theory, water governance, mexico  
<http://geography.uoregon.edu/profile/meehan/>

## Alexander Murphy

Cultural geography, political geography of environment,  
environmental law

<http://geography.uoregon.edu/murphy/>

[Top of Page](#)

---

[Geological Sciences](#)

## Katharine Cashman

Volcanology, igneous petrology, crystallization, kinetics

<http://www.uoregon.edu/~dogsci/directory/faculty/kcashman/about>

## Rebecca J. Dorsey

Sedimentation & tectonics, basin analysis

<http://www.uoregon.edu/~rdorsey/rjd.html>

## Mark Reed

Aqueous geochemistry, ore deposit geology

<http://geology.uoregon.edu/profile/mhreed/>

## Gregory Retallack

Paleosols & environmental change

<http://geology.uoregon.edu/profile/gregr/>

## Doug Toomey

Tectonics, marine seismology, mid-ocean ridges

<http://www.uoregon.edu/~drt/>

## Ray Weldon

Structural geology, neotectonics, quaternary geology

<http://geology.uoregon.edu/profile/ray/>

[Top of Page](#)

---

[German and Scandinavian](#)

## Susan C. Anderson

German and Austrian narrative, cultural ideas of water,  
multiculturalism and gender

<http://pages.uoregon.edu/gerscan/faculty/profiles/sanderson/professor.htm>

[Top of Page](#)

---

[History](#)

## Jeffrey Ostler

American political & environmental history

<http://history.uoregon.edu/faculty/profiles/index.php?name=jostler>

## Daniel Pope

American economic history

<http://history.uoregon.edu/faculty/profiles/index.php?name=dapope>

[Top of Page](#)

---

Honors College

## **Samantha Hopkins**

vertebrate paleontology, systematics, paleoecology

<http://geology.uoregon.edu/profile/shopkins/>

[Top of Page](#)

---

Institute for Sustainable Environment

## **Jesse Abrams**

Public lands politics/policy

## **Patrick Bixler**

Conservation networks, intersections between ecology, economy and governance

## **Cassandra Moseley**

Public lands politics/policy, political institutions, political ecology, community-based collaboration

<http://www.uoregon.edu/~cmoseley/>

[Top of Page](#)

---

International Studies

## **Dennis Galvan**

Comparative analysis of development & social change, politics of cultural identity, Africa, Indonesia

<http://www.uoregon.edu/~dgalvan/galvan.html>

## **Derrick Hindery**

Global economic restructuring of ecosystems, indigenous communities in Latin America/US

<http://intldept.uoregon.edu/profile/dhindery>

## **Stephen R. Wooten**

Local-global dynamics, agrarian changes, expressive culture

<http://pages.uoregon.edu/isp/people/faculty/profiles/swooten/>

[Top of Page](#)

---

Journalism and Communication

## **Carol Ann Bassett**

Writing, environmental issues, indigenous cultures

## **Tom Bivins**

Mass media ethics, ethics and persuasion  
[http://journalism.uoregon.edu/member/bivins\\_tom/](http://journalism.uoregon.edu/member/bivins_tom/)

## **Lauren Kessler**

Literary journalism, alternative media, social history  
<http://laurenkessler.com/>

## **Debra Merskin**

Women and minorities in media, historical studies, social influences of the media  
[http://journalism.uoregon.edu/member/merskin\\_debra/](http://journalism.uoregon.edu/member/merskin_debra/)

## **Stephen Ponder**

News-editorial, public policy issues in environmental studies  
[http://journalism.uoregon.edu/member/ponder\\_stephen/](http://journalism.uoregon.edu/member/ponder_stephen/)

[Top of Page](#)

---

[Landscape Architecture](#)

## **Ann Bettman**

Urban farming  
<http://landarch.uoregon.edu/ann-bettman>

## **Jerome Diethelm (Emeritus)**

Design theory, environmental ethics & aesthetics  
<http://www.uoregon.edu/~diethelm>

## **Kenneth Helphand**

Landscape history, literature, & theory  
<http://landarch.uoregon.edu/kenneth-i-helphand-fasla>

## **David Hulse**

Land use planning, landscape ecology, geographic information systems  
<http://landarch.uoregon.edu/david-hulse>

## **Bart Johnson**

Landscape Architecture  
<http://www.uoregon.edu/~bartj/>

## **Robert Melnick**

Landscape preservation, research methods, historic & cultural landscape analysis  
<http://landarch.uoregon.edu/robert-z-melnick>

## **Robert Ribe**

Land use planning & management, environmental perception  
<http://landarch.uoregon.edu/rob-ribe>

## Roxi J. Thoren

Sustainable urban design, brownfield redevelopment, microclimate design, place-based cultural identity politics  
<http://landarch.uoregon.edu/roxi-thoren>

[Top of Page](#)

---

[Law School](#)

## John Bonine

Environment & pollution, administrative law, natural resource issues, constitutional law, comparative environmental law  
<https://law.uoregon.edu/explore/john-bonine>

## Anthony "Tim" A. Hicks

Conflict management

## Richard Hildreth

Natural resource management law & policy, ocean & coastal law, urban land use, international environmental law  
<https://law.uoregon.edu/explore/dick-hildreth>

## Mary Wood

Indian law, public lands & natural resources, wildlife law  
<https://law.uoregon.edu/explore/mary-wood>

[Top of Page](#)

---

[Museum of Natural and Cultural History](#)

## Edward Davis

Fossil collections, vertebrate paleontology  
<http://geology.uoregon.edu/profile/edavis/>

[Top of Page](#)

---

[Philosophy](#)

## Mark Johnson

Philosophy of language/art, moral theory, cognitive science  
<http://philosophy.uoregon.edu/profile/markj/>

## Bonnie Mann

Social & political philosophy, phenomenology, philosophy of the body, aesthetics, feminism and the environment  
<http://philosophy.uoregon.edu/profile/bmann/>

## Scott Pratt

American philosophy, Native American philosophy, philosophy of place  
<http://philosophy.uoregon.edu/profile/spratt/>

## Peter Warnek

Art, nature, mythology, philosophy of nature  
<http://philosophy.uoregon.edu/profile/warnek/>

[Top of Page](#)

---

Physical Education and Recreation

## Michael Strong

Outdoor leadership training, outdoor education  
<http://opp.uoregon.edu/instructors.html>

[Top of Page](#)

---

Physics

## Greg Bothun

Environmental data sampling, alternative energy, numerical modeling  
<http://physics.uoregon.edu/profile/dkmatter/>

[Top of Page](#)

---

Planning, Public Policy, and Management

## Michael Hibbard

Community & regional development  
<http://pppm.uoregon.edu/michael-hibbard>

## Carl Hosticka (Emeritus)

Policy analysis, natural resource policy development  
<http://pppm.uoregon.edu/carl-hosticka>

## Renee Irvin

Environmental & natural resource economics, health economics, public finance, nonprofit economics & management  
<http://pppm.uoregon.edu/renee-irvin>

## Grant Jacobsen

Environmental economics and policy, energy efficiency and renewable energy, voluntary environmental protection  
<http://pppm.uoregon.edu/faculty/grantjacobsen>

## Richard Margerum

Collaborative environmental management, conflict management in multi-stakeholder processes  
<http://pppm.uoregon.edu/faculty/rich-margerum>

## Robert Parker

Land-use/transportation planning, growth management, market/feasibility analysis, citizen participation  
<http://pppm.uoregon.edu/robert-parker>

## Marc Schlossberg

Urban environmentalism, social justice & equity as related to planning

<http://www.uoregon.edu/~schlossb/>

## Yizaho Yang

Environmental planning, design and analysis for sustainable and active living, land use planning and growth management, housing and residential quality, feminist study of the built environment

<http://pppm.uoregon.edu/yizhao-yang>

[Top of Page](#)

---

Political Science

## Daniel Goldrich (Emeritus)

Environmental politics, sustainable development, U.S. & Latin America

<http://polisci.uoregon.edu/profile/dgoldric/>

## Craig Kauffman

Environmental politics, comparative politics, transnational networks, multilevel governance, participatory governance

<http://polisci.uoregon.edu/profile/ckauffma/>

## Jerry Medler (Emeritus)

Political theory, research methodology, environmental policy

<http://polisci.uoregon.edu/profile/jmedler/>

[Top of Page](#)

---

Psychology

## Paul Slovic

Decision making, risk perception, valuation of natural resources

<http://psychology.uoregon.edu/profile/pslovic/>

[Top of Page](#)

---

Sociology

## Mike Dreiling

Social movements relating to work, environment, consumerism, corporate political organization, international trade politics

<http://sociology.uoregon.edu/profile/dreiling/>

## Jim Elliott

Racial stratification, immigrant networks, gender, family and work, social and demographic transformation of post-Katrina New Orleans

<http://sociology.uoregon.edu/profile/elliott/>

## John Foster

Ecological crisis; economic crisis; imperialism; social theory  
<http://sociology.uoregon.edu/profile/jfoster/>

## Patricia A. Gwartney

Social demography, politics & race, survey research methods  
<http://sociology.uoregon.edu/profile/pattygg/>

## Jill Harrison

Globalization and social change, work, culture and environment,  
qualitative methods  
<http://sociology.uoregon.edu/profile/jah/>

## Gregory McLauchlan

Political sociologists, peace & war, science & technology,  
sustainable cities, environmental movements  
<http://sociology.uoregon.edu/profile/gmclauch/>

[Top of Page](#)

---

[Theatre Arts](#)

## Theresa May

Ecocriticism, postcolonial and globization theory, new works  
<http://theatre.uoregon.edu/faculty/theresa-j-may/>

[Women's and Gender Studies](#)

## Yvonne Braun

Development, social changes, environment, gender, social inequality  
<http://intldept.uoregon.edu/profile/ybraun>

[Top of Page](#)
