

Office Depot Site Statement:

**Western Michigan University is engaged in sustainability efforts which apply to its operations and the practices of WMU employees. As part of this initiative, all University employees are expected to purchase office paper that is 30% recycled or better, or is Forest Stewardship Council certified, or is Sustainable Forestry Initiative certified whenever possible. Standard office papers available for WMU departments from Office Depot are at least 30% recycled and appear under the "My shopping Lists" selection. These paper selections are environmentally, economically and supply sustainable items.**
