Re: AASHE STARS Letter of Affirmation

To Whom It May Concern,

In April 2021, Julie Newman, Director of Sustainability within the MIT Office of Sustainability contacted me to conduct an internal review of our STARS reporting by utilizing the STARS 2.2 Review Template.

After performing a first, and in some cases, second review, I can attest that all identified issues in the report have been resolved. Please feel free to contact me at mjmoody@mit.edu if you have any questions or concerns.

Sincerely,
