STARS Steering Committee  
Association for the Advancement of Sustainability in Higher Education  
213 ½ North Limestone  
Lexington, KY 40507

To Whom It May Concern,

As a student at California State University, Sacramento, I undertook an independent review of the 2024 AASHE STARS report for our institution. I am pleased to confirm that I have thoroughly revised the report, addressing all identified inconsistencies and errors before its submission to AASHE.

Should you require any further information regarding the review process or the contents of the report, please feel free to reach out to me.

Sincerely,

*Adam Gonzalez*
