Subject: California State University, Sacramento's STARS Submission

Dear Committee Members:

California State University, Sacramento is pleased to submit the results of our first comprehensive campus-wide STARS inventory.

This report was prepared through collaborative efforts of the entire campus community, with active participation from students, faculty and staff. At Sacramento State, we promote the highest standards of environmental stewardship. Our University serves the capital region of California, a national leader in the development of sustainability policies. Sacramento State's mission supports leadership for sustainability as we continue to explore opportunities and new initiatives through innovative and collaborative means. The STARS assessment provides a framework for Sacramento State's on-going efforts to strengthen our sustainability achievements.

I affirm the data presented to be true and accurate to the best of our abilities. Thank you for providing the opportunity for our campus to evaluate and measure our sustainable performance. I enthusiastically join my University colleagues in expressing my support and commitment for the continued success of Sacramento State's sustainability programs.

Sincerely,

A handwritten signature in blue ink that reads 'Robert S. Nelson'.
