RE: San Francisco State University STARS Report Submission 2023

Dear AASHE Staff and STARS Steering Committee,

I, the undersigned, affirm that I have conducted a review of the STARS report in full, that Caitlin Steele, Director of Sustainability and Energy, has responded to inconsistencies and errors identified by myself, and that the necessary changes have been made to the report where revision was required prior to submission.

I further attest that I have not been involved with the collection of any data for the San Francisco State University STARS report.

Sincerely,
