re: Sustainability Tracking, Assessment, and Rating System Submission

Dear STARS Steering Committee Members:

On behalf of San Francisco State University, I am pleased to submit the results of the second comprehensive campus-wide evaluation using the STARS rating system. The criteria submitted reflects our continued efforts to become an increasingly sustainable and resilient university. The data collection and reporting, led by the Office of Sustainability, was a product of collaborative efforts across the campus community.

Through this letter, I affirm the data presented to be true and accurate to the best of our abilities. Thank you for the opportunity to evaluate and measure our sustainable performance – and for providing the framework by which we can further those efforts.

Sincerely,

A handwritten signature in blue ink that reads "Leslie Wong".
